Vintage card collectors have so much to choose from in this auction. We continue with no less than 34 different pre-war Babe Ruth and Lou Gehrig cards. From several 1933 Goudeys to Exhibit cards, strip cards and more, this section has truly remarkable content. Quality post-war singles include a 1948 Swell Gum Jackie Robinson PSA 5.5, 1955 Topps Yogi Berra PSA 8 and a breakup of the super popular 1971 Topps Greatest Moments set. Complete set collectors can choose over a large variety, beginning with a 1907 Dietsche Cubs set and a superb 1908 Dietsche Tigers lot through classic 1950s, 1960s and 1970s Topps sets.

Autographed card collectors will have a lot to look at as well. We have a fresh run of 1953 through 1955 Bowman HOFer signed cards, all PSA slabbed. There are also very desirable Brooklyn Dodger signed programs, remarkable 1962 and 1969 Mets signed programs with vintage Hodges autographs, a front-signed Jimmie Foxx Yellow HOF Plaque, a superb Mordecai Brown slabbed autograph and a singularly rare Pat Malone single signed baseball.

Historical autographs include a Neil Armstrong signed 8x10 photo, various Presidential autographs including a fascinating FDR 1917 TLS and more. Entertainment collectors will have perhaps the largest offered we have had to review. We begin with autographs from Elvis Presley and John Lennon. There are many super desirable signed photos, including Madonna, Jayne Mansfield, Sal Mineo and Christopher Reeve among many more.

Key Lots

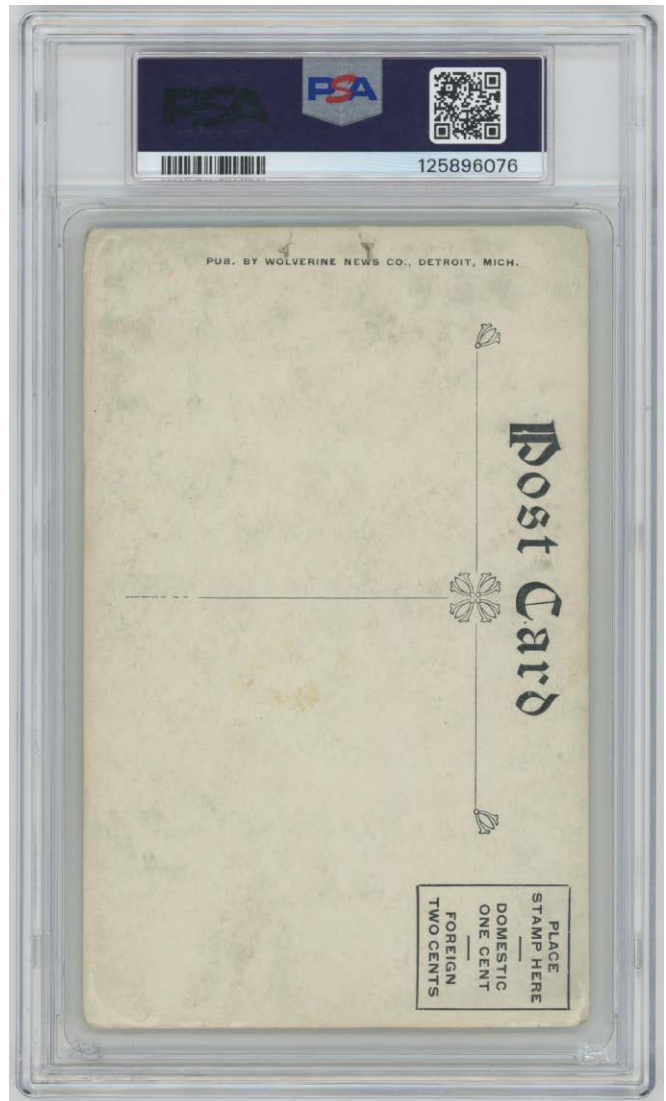

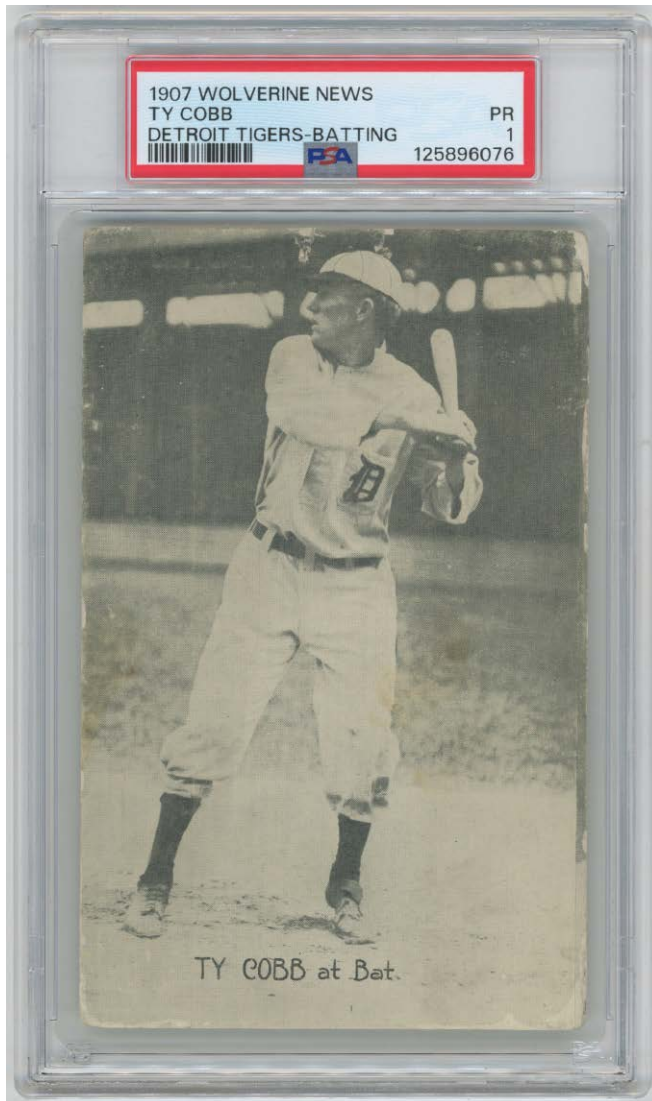

1 1907 Dietsche Detroit Tigers Postcards Ty Cobb Fielding PSA 3.54000

An extremely scarce and super desirable TY Cobb card, many consider this to be his Rookie Card. Three examples traded in 2025: PSA 4 \$36,600, PSA 2 \$20,713 and SGC 3.5 \$31,268. Freshly slabbed, out example has a truly superb photo that almost seems to jump off the card. The larger size allows for an outstanding picture, this is a great photo of a so-young Ty Cobb fully extended to make a play in the field. We cannot see any creases or wrinkles, even under magnification. The back appears to be perfectly clean, the corner wear is not bad at all. The front of the card has some type of general surface wear and displays well overall.

The photo contrast really makes this card. Yiu have to love the text on the back, written so early in Cobb's career: Cobb...is recognized all over the country as one of the most sensational players the game has ever had. How accurate! Who wants to own one of the very best Ty Cobb cards?

Key Lots

2 1907 Wolverine News Postcards Ty Cobb Batting PSA 12000

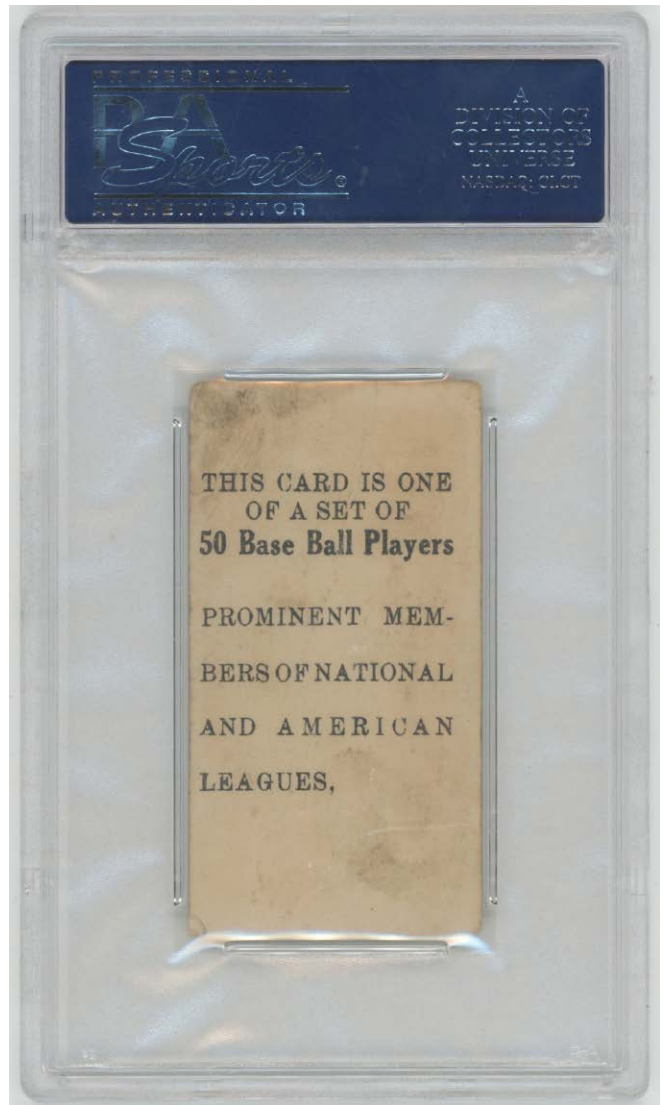

A wonderful super early Ty Cobb card, many consider this to be a Rookie Card. From a key set, this postcard offers a unique image of a very young Ty Cobb. The card grades a 1 due to damage in two spots at the top center of the card from display. Outside of this, the card is pretty clean and nice. The image is flawless, this has not been mailed, the back is clean. We do not see any creases or wrinkles, the corner wear is mainly visible at the upper right. The card displays exceptionally well for the grade. Freshly slabbed and new to the hobby, who wants to add one of the best early Ty Cobb cards to their collection?

Key Lots

3 1909 E92 Nadja Caramels Honus Wagner (batting) PSA 11500
A very desirable and scarce Honus Wagner card, this is freshly graded. An outstanding card for the grade, the card retains vivid color and a flawless image of the legendary Wagner batting. The corner wear is in the Good range and reasonably consistent. The surface has creasing and some wear, it is not bad at all for the grade. Centered to the top border, the borders are reasonably clean. The back is clean, with only mild general wear. This will be a perfect card for a wide range of collectors, happy bidding!

Key Lots

4 1909 E101 Set of 50 Honus Wagner **PSA 11500**
 An affordable period card of Honus Wagner, the demand for period Honus Wagner cards seems limitless these days. The offered card is a fully presentable 1 that maintains solid display value. Well centered with good color, the image retains vibrant red color, the borders are white. The corner wear is moderate and consistent. The back is clean, with no issues. One substantial crease keeps this at a 1, this displays far better overall than recently sold cards in this grade from PSA and SGC.

Key Lots

5 1909 T206 Cy Young Bare Hand Shows PSA 51750
 An absolute key to the vital T206 baseball card set, this is a very desirable card. Sharp and clean, this has rich color, bright white borders and perfectly crisp edges.

6 1909 T206 Cy Young Portrait PSA 63000
 One of the absolute keys to the T206 set, this is a truly iconic card. A super popular card, these come around all the time in 1-3 quality, an Ex-Mt 6 exemplar is almost rare. The offered card is well centered, this has gorgeous color, a perfect image and bright white borders. The corners show only very slight wear. The back is clean, this is a superb card for the grade. There have been only two sales in 6s in the last five years. Great card.

Key Lots

7 1912 T202 Triple Folders Complete Set2000

A vital set, this includes twenty-nine freshly slabbed cards. An incredible value due to the seemingly endless number of HOFers, these are such creative, unique and fun cards. Revered by collectors from this era, it is amazing how these now trade for less than T206s, a generation ago it went the other way! A mid-grade set, the condition varies. PSA is always so tough on these, the cards will generally display better or much better than the technical grade. Notable for no less than FIVE TY COBB CARDS, complete sets hardly ever come to market.

Key Lots

8 1933 Zeenut Joe DiMaggio Batting Rookie Card

PSA 2 mk3000

One of the great baseball cards, how neat is it that the PCL made this card of a Rookie named Joe DiMaggio starting in 1933. Scarcer than the throwing variation, many believe this is Joe's true Rookie Card. Freshly slabbed, PSA was a bit conservative with the grade here. The front of the card has no visible creases or wrinkles, even under magnification. The bottom two corners are fairly crisp, the two two show a fair amount of wear. There is wear on the left border, the surfaces are quite clean overall. The photo of a so-young DiMaggio is bright, clear and well focused. The card displays extremely well overall, and retains terrific eye appeal. The blank back is not bad at all, some writing has been erased and there is slight creasing. So much tougher to find than a 1952 Topps Mantle or most Babe Ruth cards, these seem to us be a rare outstanding value in today's market. One of the biggest names in baseball history, this is an important and terrific card.

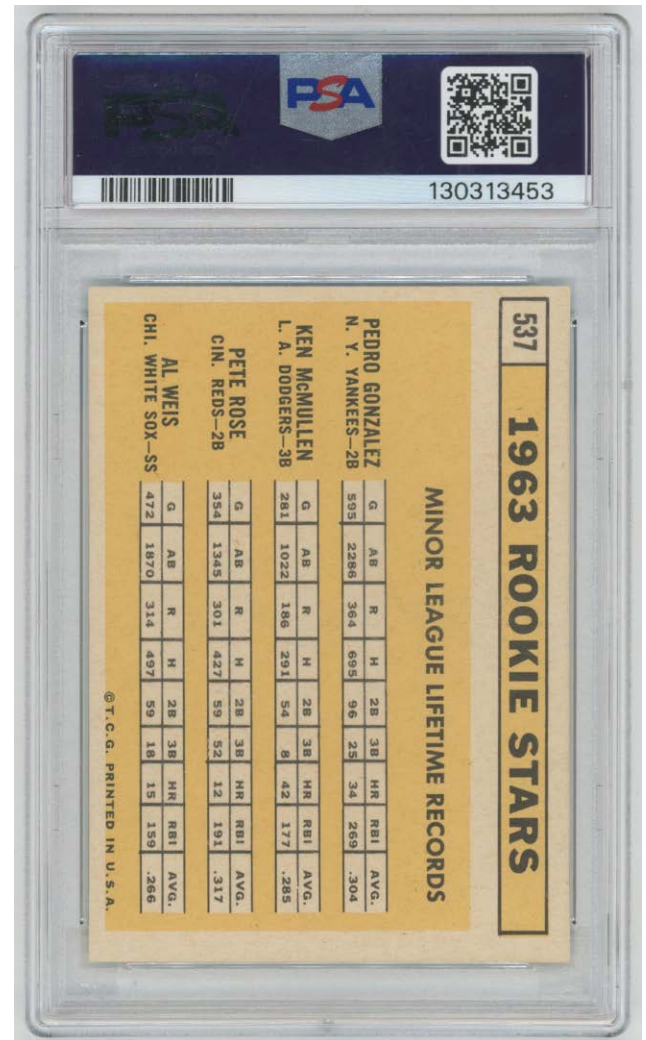

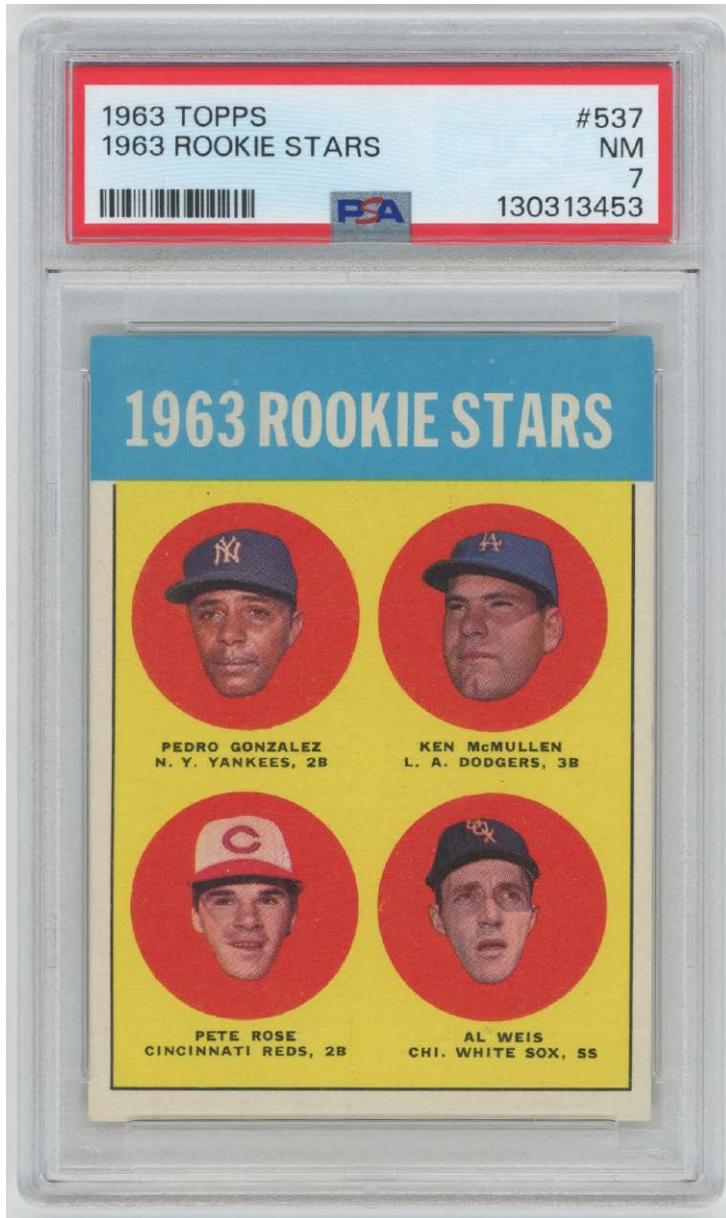

Key Lots

9 1934 Diamond Stars Complete Set w/wrapper1000

A vital and classic 1930s gum card set, these are loaded with popular HOFers and attractive cards. The absence of Ruth and Gehrig allows for an affordable set that will not break the bank. The high numbers are scarce and extremely undervalued these days in our opinion. The graded cards are all freshly slabbed. The balance of the set is in the VG Plus to VG-Ex range with moderate variance. A loaded set due to the large number of HOFers and high numbers, the value as singles here could be tremendous. The seemingly endless number of better cards in the set are as follows: 1 Grove PSA 3, 2 Simmons PSA 4.5, 3 Maranville PSA 1, 9 Cochrane VG+, 11 Dickey PSA 1, 14 Terry GVG, 16 L. Waner PSA 4, 17 Frisch GVG, 18 Hafey PSA 3, 27 Traynor VG-Ex, 28 Lopez VG, 30 Manush PSA 2, 31 Cuyler PSA 4, 32 Rice GVG, 35 Averill VG-Ex, 36.1 Earnie Lombardi Good, 36.2 Ernie Lombardi PSA 4.5, 39 Hubbell PSA 3.5, 43 Lyons VG-Ex/Ex, 44 Hornsby PSA 1, 48 Ferrell VG+, 50 Ott PSA 2.5, 54.1 Greenberg PSA 7 mc, 59 Bottomley PSA 4.5, 60 Ruffing VG+, 63 Jackson PSA 4, 64 Foxx PSA 5, 66 Medwick PSA 4.5, 74 Lazzeri PSA 4, 77 Gehringer PSA 4, 83 P. Waner PSA 4, 86 Crosetti PSA 4, 91 Harris VG+, 94 Ferrell VG-Ex/Ex, 95 Appling PSA 5, 97 Lopez PSA 2.5, 98 Rowe PSA 4, 99 Traynor PSA 2, 100 Averill PSA 5, 101 Bartell PSA 2, 102 Mungo PSA 4, 103 Dickey PSA 1, 104 Rolfe PSA 4, 105 Lombardi PSA 4, 106 Lucas PSA 5, 107 Hack PSA 4, 108 Berger PSA 4.

Key Lots

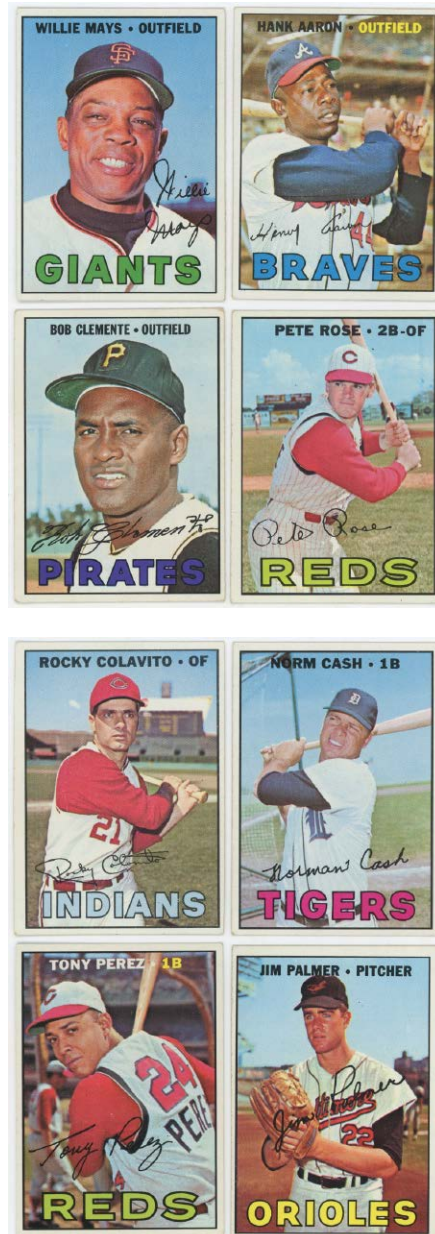

10 1963 Topps 537 Pete Rose RC

PSA 71375

One of the hottest 1960s baseball cards, these have been especially sought after due to Pete Rose's sad death last year and very likely future HOF Induction. The absolute key to this extremely popular Topps set, the offered card is freshly slabbed and superb. Well centered, this has four sharp corners. The color is terrific, there are no print dots or issues. The blue borders at the top look good, the borders are clean and white, the back looks great. This is a terrific Near Mint 7 exemplar to our eyes.

Key Lots

11 1967 Topps Complete Set

Ex-Mt1000

One of the ultimate Topps sets, the high number run makes these so desirable. The offered lot is a sharp and fine set. Likely from the original owner, several cards still have the original wax on the front. The basic set is really nice, it looks to be roughly half Near Mint, half Ex-Mt, with light variance and some weaker cards scattered about. The vital high number run is a Ex-Mt overall with many nice cards, but also some variance. A very desirable set with a lot going for it, we rate the key cards as follows: 45 Maris NM, 146 Carlton NM, 150 Mantle PSA 4, 200 Mays Ex-Mt, 250 Aaron Ex-Mt, 355 Yaz NM, 400 Clemente VG-Ex/Ex, 430 Rose Ex-Mt+, 460 Killebrew Ex, 475 Palmer Ex, 476 Perez SP Ex-Mt+, 536 Niekro RC Ex-Mt, 540 Cash Ex-Mt+, 558 Belanger RC VG-Ex/Ex, 569 Carew RC VG-Ex/Ex, 570 Wills Ex+, 580 Colavito Ex-Mt+, 581 Seaver RC PSA 4, 600 B. Robinson PSA 5, 604 Red Sox Team Ex-Mt+, 605 Shannon VG-Ex, 607 Stanley Ex-Mt.

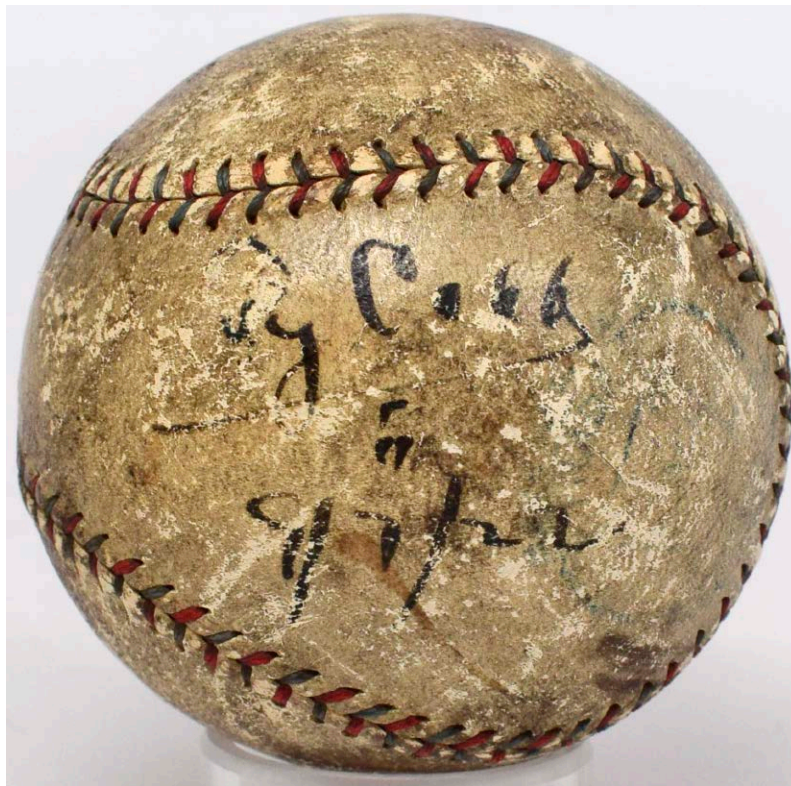

Key Lots

12 1962 Mars Attacks Complete Set w/27 graded cards 1600

A revered 1960s non-sports set, these are always fought over by collectors. Offered is an extremely fine set, notable as it includes 27 of the 55 cards in PSA holders. The images here are just wonderful, and are of course complete unique to this super-fun set. The graded cards are as follows: 3 PSA 7 oc, 4 PSA 7, 7 PSA 8, 11 PSA 7, 12 PSA 6, 17 PSA 7, 18 PSA 7, 19 PSA 6, 21 PSA 6, 22 PSA 7, 24 PSA 6, 25 PSA 7, 26 PSA 7, 28 PSA 8 oc, 29 PSA 6, 31 PSA 7, 32 PSA 7, 35 PSA 6, 36 PSA 6, 39 PSA 5, 41 PSA 7, 42 PSA 8 oc, 44 PSA 7, 46 PSA 6, 47 PSA 6, 48 PSA 8 oc, 55 PSA 5. The ungraded cards are generally well centered, they look to be a very clean and colorful Ex Plus overall. This is a terrific example of this marquis pop culture non-sports set.

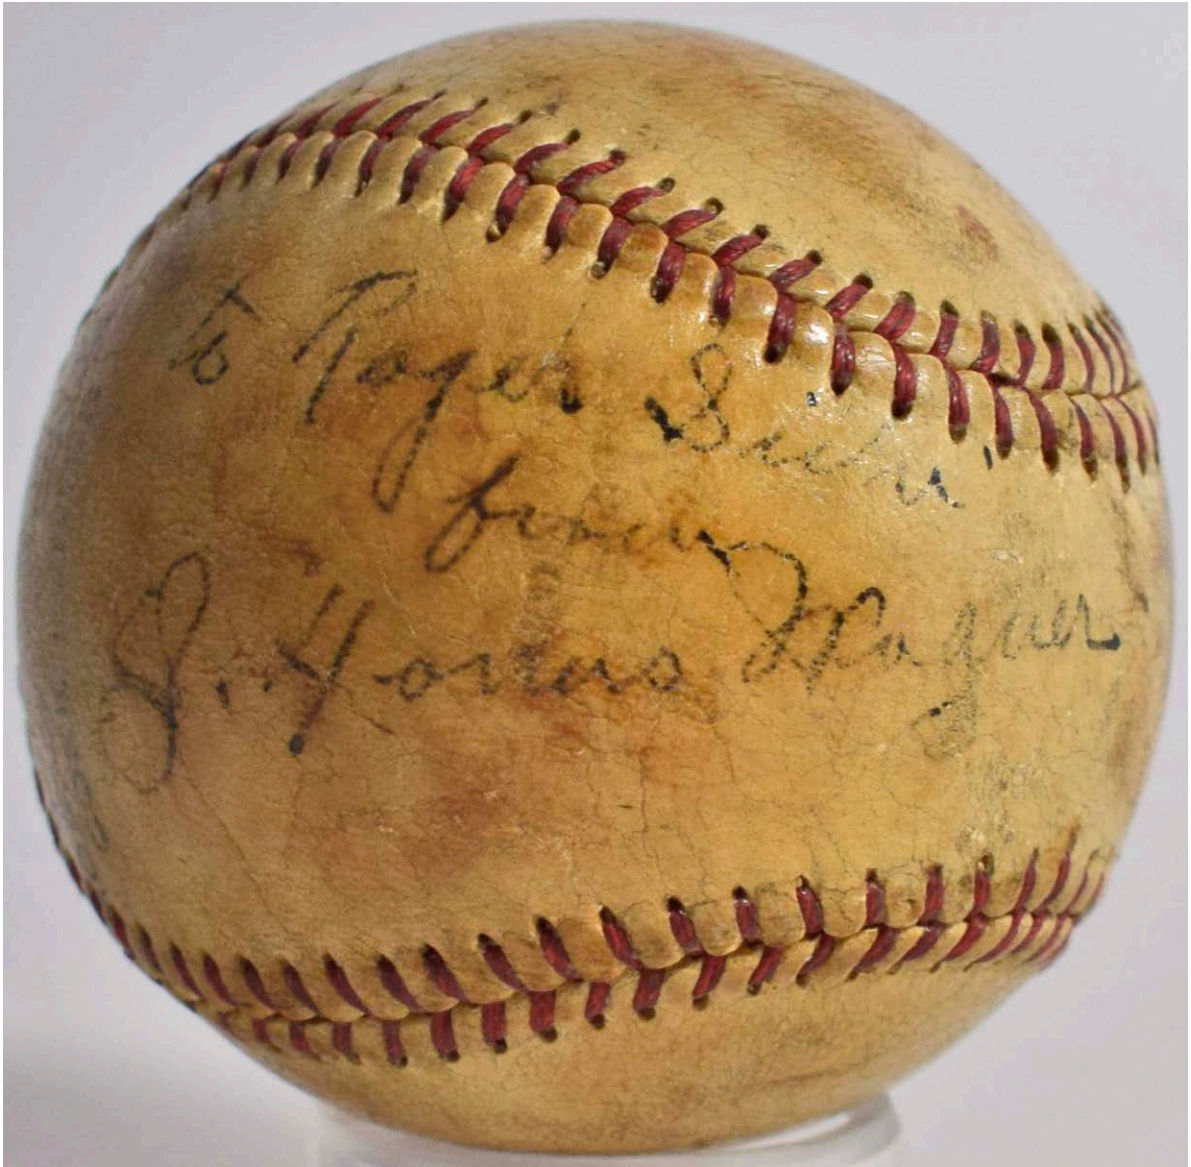

Key Lots

13 Ty Cobb Single Signed Baseball (dated 1922)2000
Presented is an Official American League Ball (Johnson), dated and signed on a side panel by Ty Cobb, the Georgia Peach. The fiery Inaugural Hall of Famer autographed the ball in black fountain ink and inscribed the date, 9/7/22. Cobb used black fountain ink to sign on a single side panel and add the date, 9/7/22, just under his signature. The big Cobb signature, despite a small abrasion that crosses upon the letter T in Ty, stays decidedly bold, grading 9. Regardless of Cobb's predilection for graciously acceding to autograph requests from fans, particularly in the decades following his playing years (1905-28), single-signed balls from his playing days are virtually non-existent.

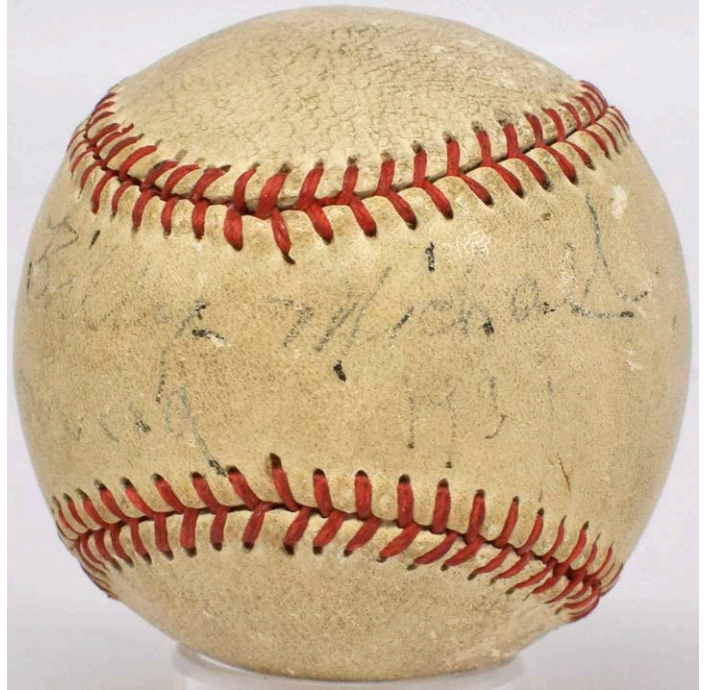

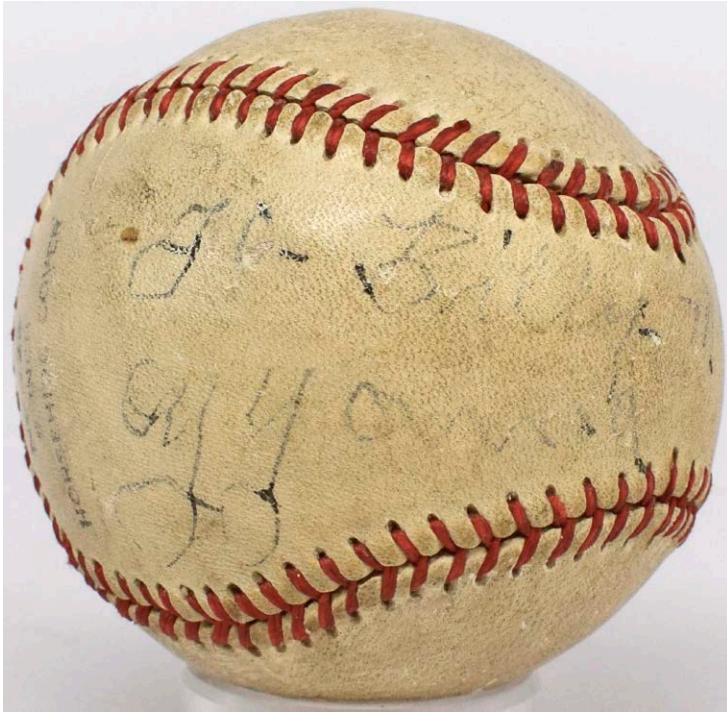

What makes the displayed ball so particularly prized is that we can readily ascertain, to the day, when Cobb signed and dated it. In 1922, Cobb was 35 years old and the Tiger player-manager. But neither his advancing years nor the distractions and problems of managing could stop Cobb's bat. He batted a robust .401, and he was deprived of a 13th AL batting crown when George Sisler hit a career high .420. While the provenance of this ball is unknown, it is clear that whoever originally obtained it did so on an off-day on September 7, 1922, as the Tigers were on their way from Chicago to St. Louis to play the next day against the Browns. The ball is deeply soiled, and it exhibits many minor abrasions; fortunately, the signature and date are essentially unaffected, the juxtaposition of the lighter Cobb signature and date against the darker Cobb signature and date brings out an impressive visual contrast and provides superb eye-appeal. The rarity of a single-signed Cobb ball from his playing days and the strong visual pop emanating from the contrast between Cobb's signature and inscription and the background provide an exemplary, vintage Cobb single-signed baseball.

Key Lots

14 Honus Wagner Single Signed Baseball 81500
One of the ultimate names in baseball history, even young baseball fans know the legendary Wagner. Always a very desirable and scarce single signed baseball, higher grade examples run five figures. The offered lot is a very pleasing mid grade exemplar. The ball is an evenly toned Major League Baseball model. Wagner penned an entire side panel, it is signed To Roger Silva from J. Honus Wagner. The writing is in solid black fountain pen ink and contrasts reasonably well against the baseball. If you are looking for a single signed baseball of one of the greatest names in baseball history and do not want to break the bank, the offered lot is worthy of serious consideration. D'1955. PSA DNA (full).

Key Lots

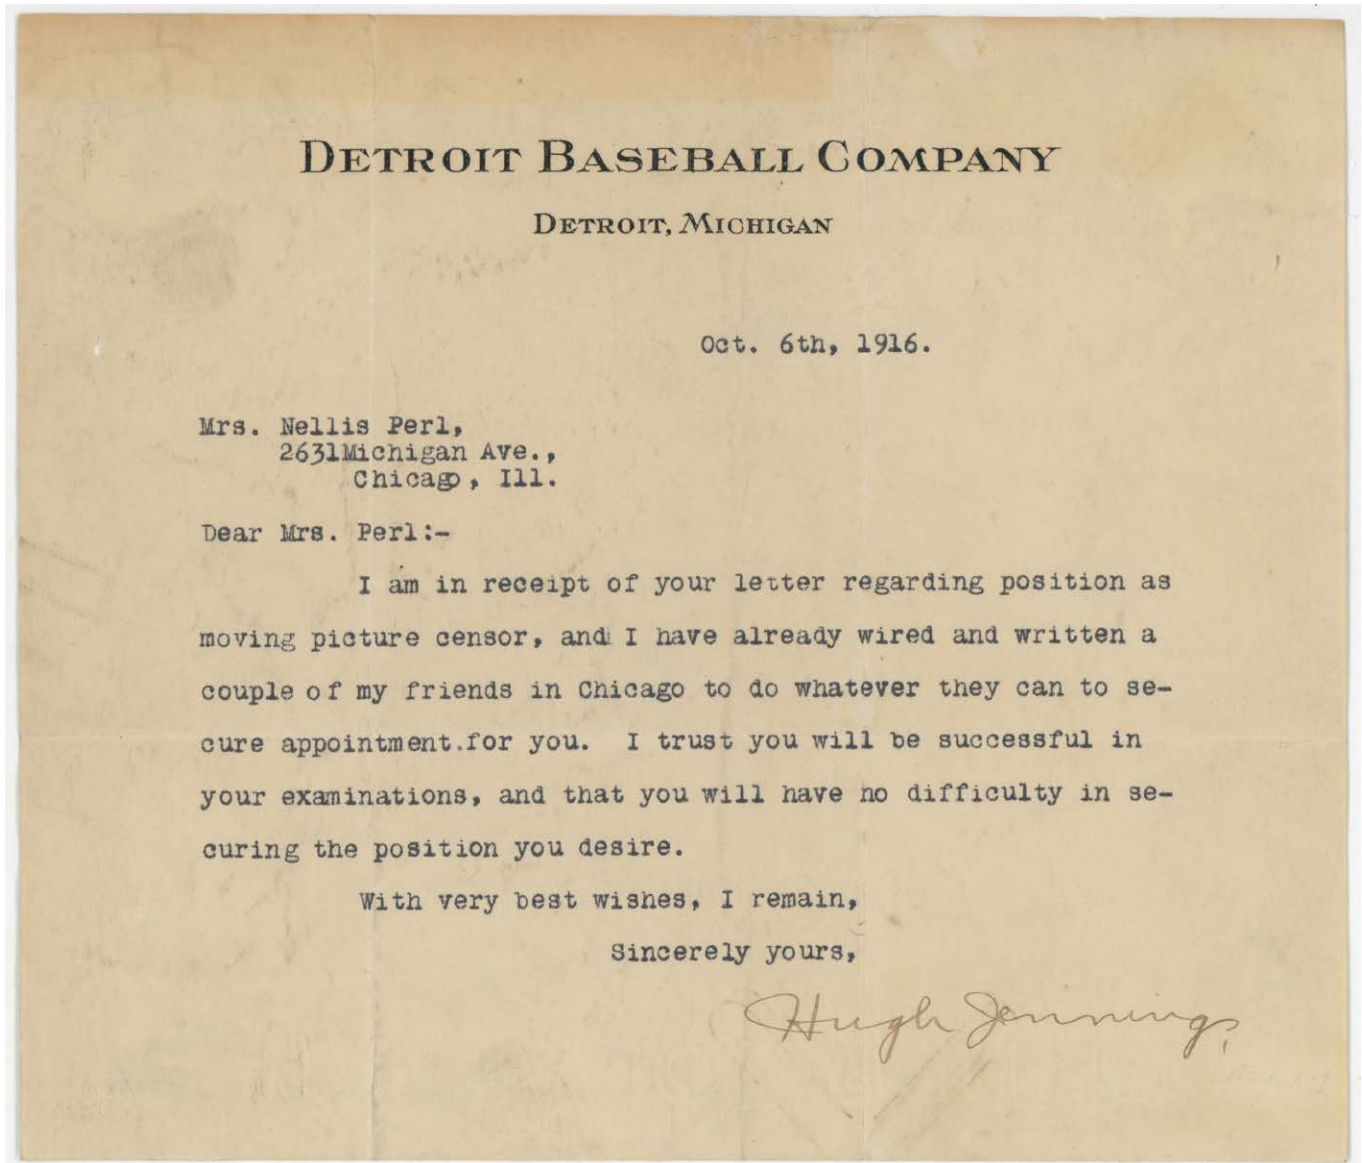

15 Cy Young Single Signed Baseball

61000

One of the ultimate names in baseball history, even young baseball fans know the legendary Cy Young. Always a very desirable and scarce single signed baseball, higher grade examples run five figures. The offered lot is a respectable mid-grade exemplar. Signed on a lightly toned Amateur League ball, this has lots of writing. The ball is signed To Billy Michael 1931. The signature is somewhat light but fully legible. Signed in fountain pen ink, this ball is also desirable as almost all Cy Young single signed baseballs that trade were signed in ballpoint in the late 1940s through 1955. Fine ball. PSA DNA (full).

Key Lots

16 Letter Jennings, Hughie (rare)

81300

A fascinating person, Hughie Eeh Yah Jennings was a Hall of Famer player, manager, coach and future attorney. Jennings died in 1928, and is an extremely rare autograph missing from even the most advanced autograph collections. The offered lot is a wonderful TLS on Detroit Tigers letterhead that is dated 10/6/1916. A half page letter, the content relates to someone who wants to work as a moving picture censor. The letter has mild general wear and displays well overall. This has a neat and fairly large Hugh Jennings signature at the close, superb. PSA DNA (full).

Babe Ruth and Lou Gehrig

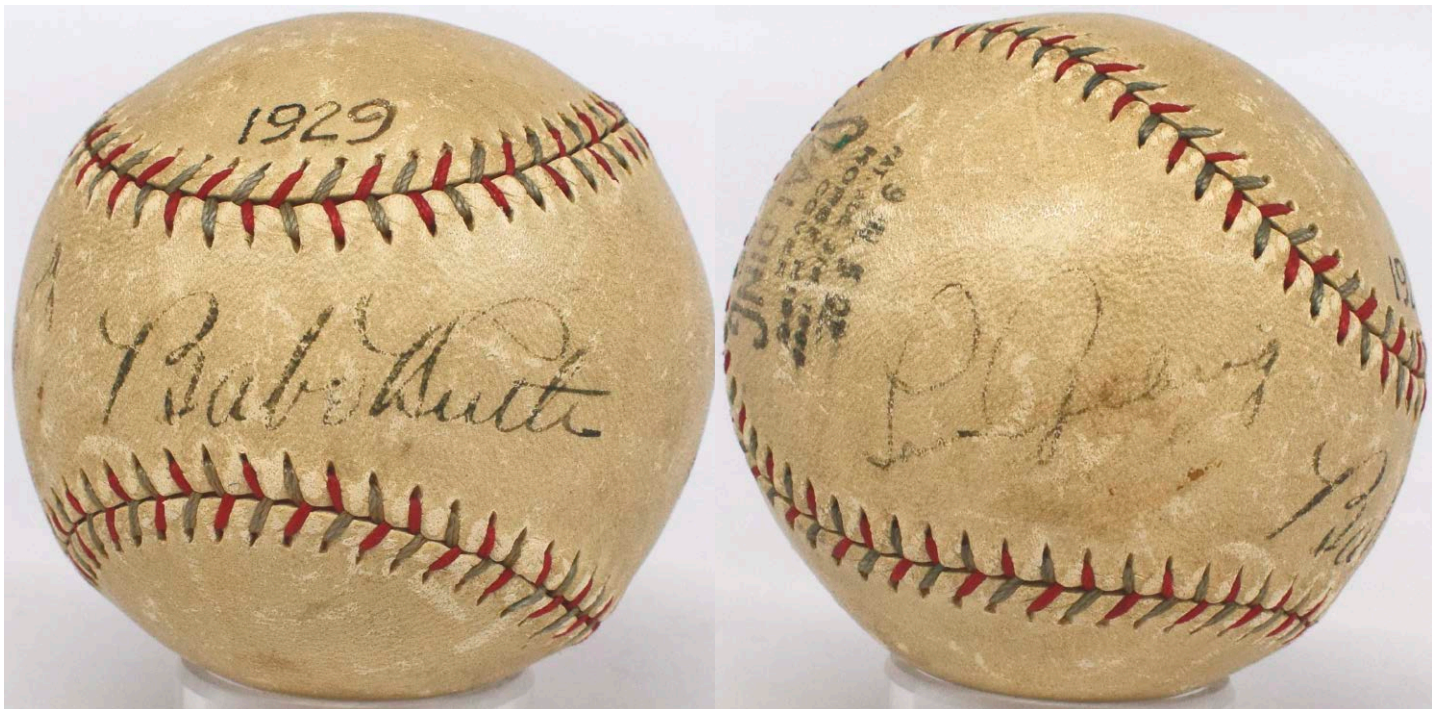

17 Ruth, Babe Signed 8x10

8.52000

The ultimate name in baseball history, anything signed by Ruth has exploded in recent years. Offered is a very unusual and possible one-of-a-kind Babe Ruth photo from 1933. Ruth is seated in the dugout in full uniform, he is wrapped in a blanket and looks to be feeling a chill. Ruth is posed with a player in uniform to his right and an unidentified person in formal attire to his left. Ruth signed this as follows: To CW Duncan (spelling?) From Babe Ruth Aug 12, 1933. The signature is in solid dark fountain pen ink. The placement is perfect, the writing and signature contrast nicely against the clean image. We believe this is likely a type one photo, but we cannot guarantee that. Of note, this game was played against the might Philadelphia A's, the Yanks lost the game 11-9. Ruth signed photos are such utter bargains given what 1933 Goudey Babe Ruth cards sell for even in 2s, these are probably an ideal item to put in a box for a few years and let the market sort itself out. JSA LOA (full).

Babe Ruth and Lou Gehrig

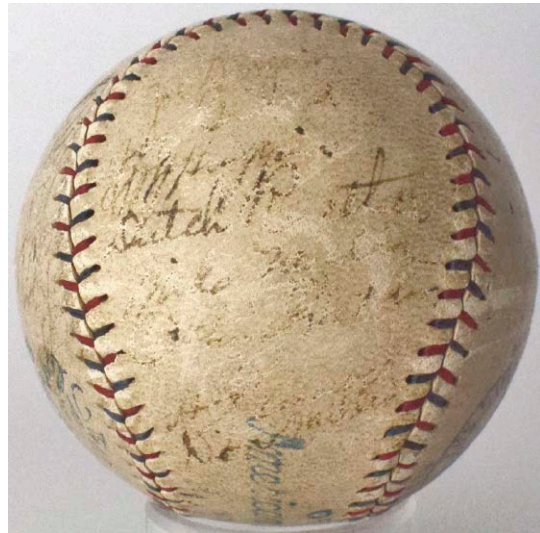

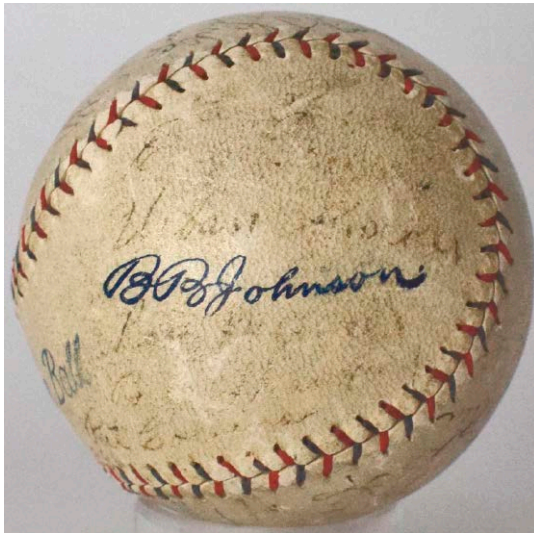

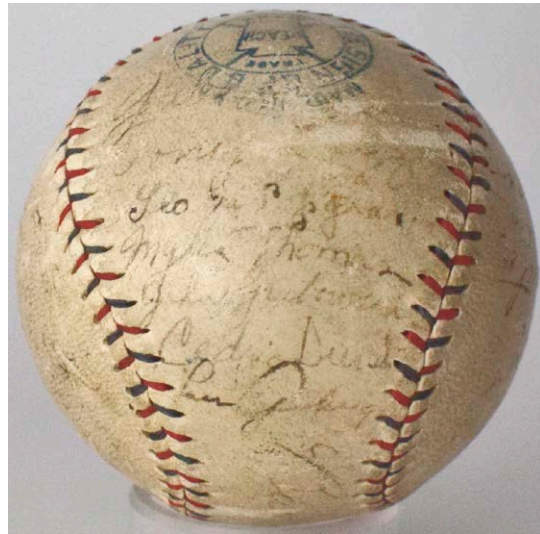

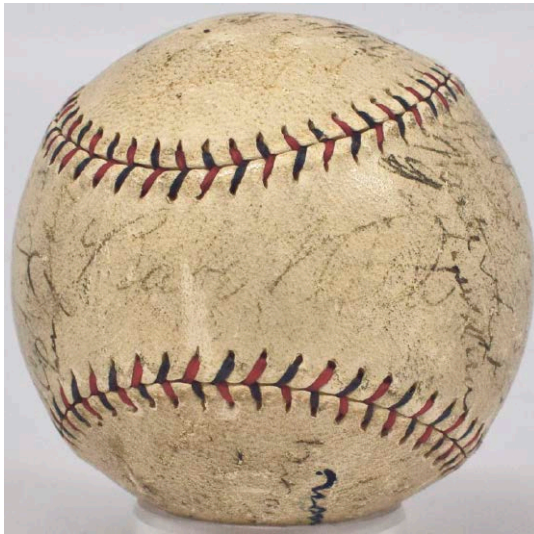

19 Ruth/Gehrig Signed Baseball

.....3000

The ultimate pairing of talent in the entire history of baseball, the names Ruth and Gehrig are paired together magically in the minds of every baseball fan. Baseballs exclusively signed by these two legends are revered by collectors. These can come around in high grade and sell for hundreds of thousands of dollars and also in very low grade, often on a very rough ball and sometimes with a clubhouse signature of Ruth or Gehrig.

The offered ball is a very, very solid mid to better grade exemplar. The ball itself is a reasonably clean Spalding Official League Cork Center multicolor stitched baseball. The sweet spot is signed by Babe Ruth, this is a large, fine and classic Ruth autograph that looks great, Lou Gehrig signed to the left of Ruth, this is a large, flowing and very attractive signature with a very pretty look to it. 1929 is written on the top panel, this is almost certainly when this baseball was signed. A terrific signed baseball, this could be the kind of thing that will instantly elevate the status of so many collections. These also seem like incredible bargains in light of what the 1933 Goudey Babe Ruth and Lou Gehrig cards trade for even in low grade in today's market. PSA DNA (full).

Babe Ruth and Lou Gehrig

20	1927	Yankees	Team Ball w/real Gehrig	5	1250
<p>The ultimate team in baseball history, this is the most famous Yankee team ever. High grade examples sell for a small fortune, the offered lot is the kind of think most of us could consider adding to our collections. Presented is a mildly toned OAL Barnard model baseball.</p>					

There are 28 total signatures. The ball has autographs from six HOFer: Lou Gehrig, Miller Huggins (D'1929), Herb Pennock (D'1948), Tony Lazzeri (D'1946) and Earle Combs; the Babe Ruth is clubhouse as is typical. The signatures vary in darkness quite a bit. The complete list of signatures (which run big numbers as singles) is as follows: PSA DNA (full).

Babe Ruth and Lou Gehrig

21 1921 Exhibits Babe Ruth

PSA 1.51000

Offered a vital Babe Ruth card from his second year with the New York Yankees. An iconic Exhibit card, this offers a terrific and unique Babe Ruth fielding pose. Great photography, the card displays very well for the grade. The front of the card has no visible creases or wrinkles, even under magnification. The image is perfect clean, the corners show mild and consistent wear, the edges are fine, the surfaces are clean. The blank back has one very subtle scrape by the top center, it is otherwise clean. Freshly slabbed and new to the hobby, this is a great card.

Babe Ruth and Lou Gehrig

22 1921 Schapira Brothers Babe Ruth (arrows) PSA 2150

A very unusual and popular early 1920s Babe Ruth card, these were issued on candy boxes and had to be cut up. Freshly slabbed, this has rich color and a very well defined image. The borders look good, the front has only light general wear. The blank back has no paper loss, but does exhibit some general wear. There is an odd mark by the bottom of the front. The card has excellent overall eye appeal and displays well.

23 1921 Schapira Brothers Babe Ruth (no arrows) PSA Authentic.....150

A very unusual and popular early 1920s Babe Ruth card, these were issued on candy boxes and had to be cut up. Freshly slabbed, the offered card has bright color and very attractive imagery. Well cut, this did not have enough of the contact line to get a numeric grade. We do not see any creases or wrinkles, even under magnification. The back is perfectly clean, this would otherwise grade at least a strong VG without respect to the cut. Good card.

24 1921 Schapira Brothers Babe Ruth Home Run PSA Authentic.....100

A very unusual and popular early 1920s Babe Ruth card, these were issued on candy boxes and had to be cut up. Freshly slabbed, the cut on the left border keeps this from getting a numeric grade. Nonetheless, this card has rich color and an attractive image. Creasing and corner wear are present, the blank back has no paper loss.

25 1921 Schapira Brothers Babe Ruth They Passed Him PSA 1150

A very unusual and popular early 1920s Babe Ruth card, these were issued on candy boxes and had to be cut up. Freshly slabbed, this is well cut with nice borders. The color and imagery are very solid here. The corner wear is not bad at all, the back is clean. The card has definite creasing, but we feel this should have been a 1.5 or a 2, the 1 grade is harsh here to our eyes. The image really does look great here.

Babe Ruth and Lou Gehrig

26 1922 Eastern Exhibit Babe Ruth

PSA 4 mk500

Offered is a terrific 1920s Babe Ruth Exhibit card. A tough card to find, this is a somewhat scarce issue. A very popular set, this is of course the absolute key to the set. A very desirable card, the offered card has an absolutely flawless version of this terrific and fairly unique image of Babe Ruth. The front of the card has no visible creases or wrinkles, even under magnification. The edges are crisp, the corners are very fine for the grade. The back has not been mailed, but old writing noting the set and price has been erased by the top border.

27 1923 W515-147 Babe Ruth

PSA 2800

Freshly slabbed, an antique dealer found a small group of these cards. The Ruth was of course the key card, this is freshly slabbed by PSA. Offered is a beautiful card, with note to wide borders and rich color. The color and image quality are terrific, the corner wear is mild and consistent, this is a truly ideal card for the grade. There is little to no creasing, the back is clean.

Babe Ruth and Lou Gehrig

28 1926-29 Postcard Back Exhibit Babe Ruth Batting PSA 1.5800

A terrific 1920s Babe Ruth Exhibit card, these were produced at the height of his fame. Freshly slabbed, the offered card has a fine image. An ideal card for the grade, we do not see any creases or wrinkles, even under magnification. The back is clean, the card has consistent corner wear. A 2 on the right day, there is a fair amount of corner wear, but there appear to be no other issues. No doubt this card will find a very happy home in the auction!

29 1927 Exhibits Lou Gehrig PSA 2800

An extremely desirable Lou Gehrig card, this is one of my personal favorites. These do not come up for auction very often, and a PSA 2 is actually a pretty high grade for one of these! Freshly slabbed, the offered card has a terrific image of Lou Gehrig's classic swing. We do not see any creases or wrinkles, even under magnification. The corners show moderate and consistent wear, there are some nicks on the edges. The front of the card has a fine image and good color, it displays well. The back has some type of stain, but is also clean overall. Who wants to own a 1920s Lou Gehrig card that so few others have?

Babe Ruth and Lou Gehrig

30 1927 Exhibits Babe Ruth PSA AA.....500
A key 1920s Babe Ruth card from the ultimate Ruth season, this is a great card to find in any grade. The offered card has extensive corner wear on the front, the image displays well, there is minimal creasing. The back of the card has erased writing and some scraping in spots, we all have seen far worse on 1920s Exhibit cards. We are presuming that PSA determined this to be an alteration, but are not certain. Either way, this is still a terrific real Babe Ruth card from 1927.

31 1928 Exhibits Babe Ruth PSA 1400
A card that displays well above the 1 grade, PSA was a bit harsh here to our eyes. The offered card has a fine image and displays well. The front of the card is more than clean, the corner wear is not bad at all, it has some additional wear by the lower right corner. The back has no paper loss, but does have some type of wear. There is some light creasing on the back and subtle staining, we do not see why this card did not grade at least a 2.

Babe Ruth and Lou Gehrig

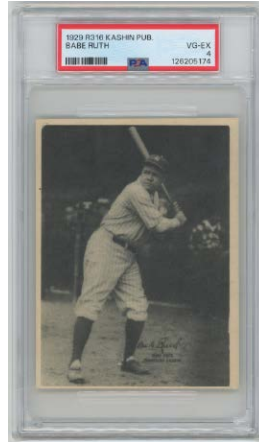

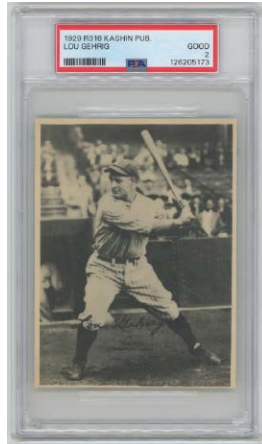

32 1928 R315 Lou Gehrig PSA 4500

A hot card, these have exploded in price in recent years. Freshly slabbed, this card looks awfully nice for the grade. A fun card with a novel image of Gehrig fully extended making a play in the field, this has clean white borders. The corners are sharp, the blank back is clean. We do not see any creases or wrinkles, the top border has one nick by the center, this may have led to the 4 grade. Fine card.

33 1928 Tharp's Ice Cream 6 Babe Ruth Throwing PSA AA.....1000

A neat card of Babe Ruth from the 1920s, this one is nice as Ruth is in a pitching pose. The image is of a younger and more svelte Ruth, he appears to be in a Boston Red Sox uniform, but we are not certain. The offered card appears to have been hand-cut from a panel or otherwise, the bottom border does not have a normal factory cut. The card has a perfectly clear image and the back is nice. One subtle crease is present, there is wear by the lower left corner. A desirable card, an SGC 1 sold for \$7,395 on 9/28/2024, the last public sale that we saw. We feel the alterations here were not designed to be deceptive, it may have been an old time collector who cut it to fit in a sheet, or again this may have been cut from a panel or partial sheet. Fine card.

Babe Ruth and Lou Gehrig

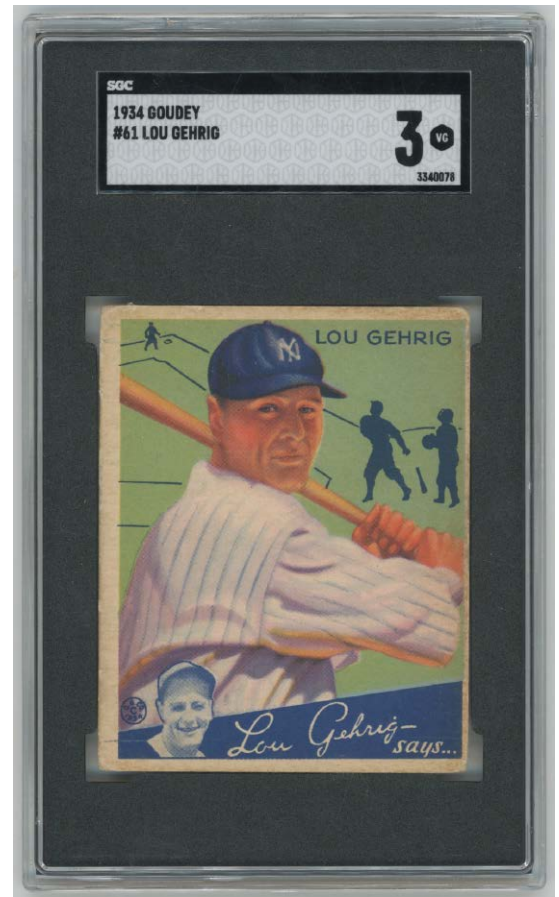

34 1929 R315 Portraits and Team Babe Ruth PSA 5 mc.....200
A very unusual Babe Ruth card from the 1920s, this is postcard size. Freshly slabbed, the offered lot has the nicest image image we have ever seen on this card. The card has four sharp corners and very clean borders. The blank back looks good, the 5 grade appears to be very conservative. Cut almost complete to the top border, the miscut qualifier might be a bit unfair as there is a sliver of white border showing at the top margin. Either way, this is an exceptionally sharp and clean example of a very condition sensitive 1920s Babe Ruth card due to the paper stock used in production and the method of issue (3-card strips). Good card.

35 1929 R316 5x7 Photo Babe Ruth PSA 1500
A great card of Babe Ruth, these hardly ever come to market. Freshly slabbed, the larger size allows for a gorgeous image of a 1920s Babe Ruth focused while at bat. The image clarity is terrific, the card has a very attractive sepia tone finish. A pinhole by the top border keeps this at a 1, the front appears to be quite clean, we do not see any creases or wrinkles. The borders are clean, the corner wear is very mild. The back is also quite clean. Freshly slabbed this is an outstanding Babe Ruth card to add to any Ruth or pre-war card collection.

36 1929 R316 Kashin Lou Gehrig PSA 2200
A very attractive 1920s Lou Gehrig, the larger size allows for a terrific image. Freshly slabbed, the corners come to points. We do not see any creases or wrinkles, even under magnification. The back is clean, we do not follow the grade here.

37 1929 R316 Kashin Babe Ruth PSA 4400
A desirable 1920s Babe Ruth card, these are not easy to find even in this grade. Freshly slabbed, the offered card has an outstanding image and terrific eye appeal. Centered slightly to the lower left corner, this has four sharp corners. There is a very subtle corner line at the upper left corner, the back is clean. Very conservatively graded, this displays really well.

Babe Ruth and Lou Gehrig

38 1932 Sanella Margarine Type 2 Babe Ruth **PSA 3200**

An unusual Babe Ruth postcard-size card, the corners are sharp, this has white borders and rich color. The back is clean, we do not see any creases or wrinkles. The grade is difficult to follow, this has to be one of the sharpest VG 3 examples of this card in the world. Freshly slabbed, this looks great.

45 1934 Goudey 61 Lou Gehrig **PSA 2 1000**

A classic Lou Gehrig card, this is a semi-high number card that can be hrd to find. The offered card a fine image and good color. Centered to the lower right corner, this has consistent corner wear. The back is clean, the edges are pretty nice. We do not see any creases or wrinkles, even under magnification, corner wear appears to be the only issue here. This came directly from the original owner, a delightful 99 year old man!

46 1934 Goudey 61 Lou Gehrig **SGC 3 1000**

A classic Lou Gehrig card, this has always been one of my personal favorites. Never easy to find, offered is a very attractive VG 3 exemplar. Centered to the right border, the color is terrific. The image is outstanding, the surfaces are clean. We cannot see any creases or wrinkles, even under magnification. The corner wear is not excessive at all, the back is bright and clean. Strong 3.

Babe Ruth and Lou Gehrig

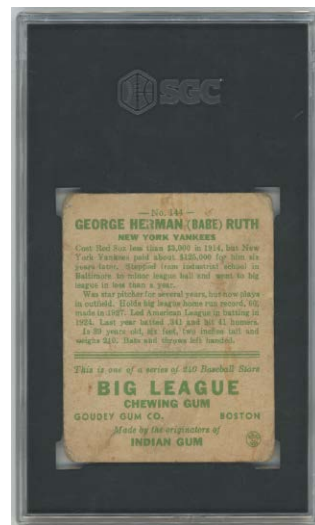

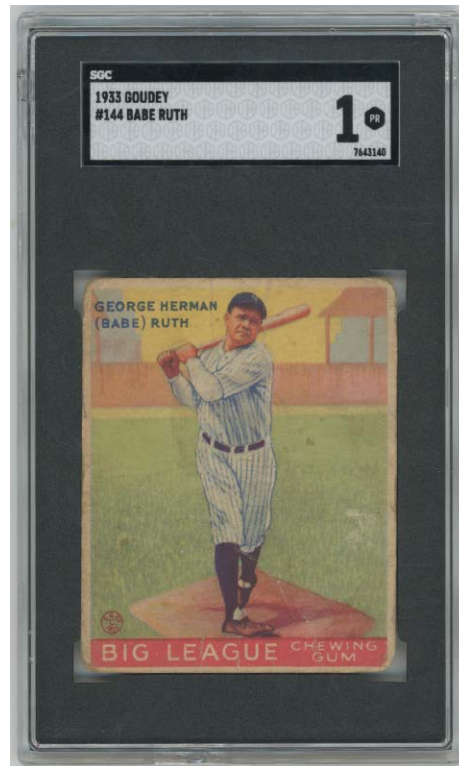

39 1933 DeLong 7 Lou Gehrig

PSA 1.51000

One of the all time classic baseball cards, these are beloved by collectors. An iconic Lou Gehrig card, these have been appreciating rapidly in recent years. Freshly slabbed and new to the hobby, this is an awfully attractive card for the grade. Remarkably well centered, this has perfect color, a flawless image and white borders. The front of the card has some fine creasing by the bottom section, these do not crack the paper in any way. The corners show mild and consistent wear, VG-Ex/Ex type corner wear. The back has no paper loss or damage, but there are three stray marks. Overall, this is a gorgeous card for the grade.

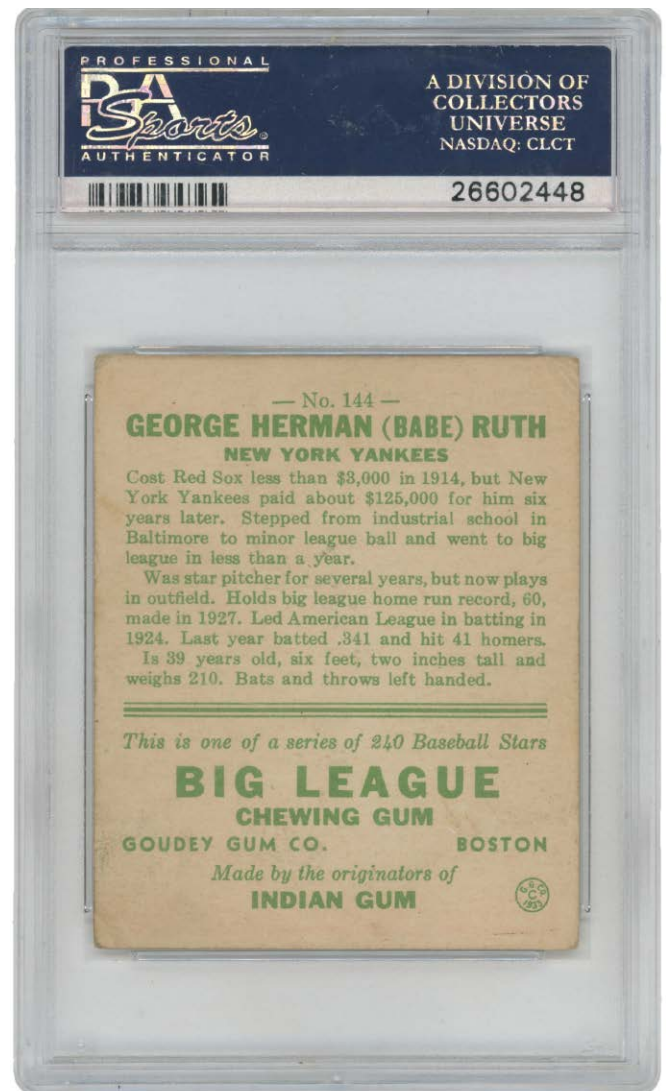

Happy bidding!

Babe Ruth and Lou Gehrig

- 40 1933 Goudey 53 Babe Ruth PSA 11500
 The most difficult of the four 1933 Goudey Babe Ruth cards, the offered card is fairly typical for the lower grade examples that come to market. Well centered, this has natural toning, extensive corner wear and creasing. The back has no paper loss, the image is still pretty nice. An honest lower grade 1, there are no technical flaws, no doubt this will be a very popular lot in the auction!
- 41 1933 Goudey 144 Babe Ruth SGC 11000
 A classic 1930s Babe Ruth card, these have been one a big run in recent months. The offered card earns its one grade due to creasing. Despite the creasing, the offered card retains good color, has a nice image and displays pretty well. Well centered, the corner wear is consistent, the back has no paper loss or damage.

Babe Ruth and Lou Gehrig

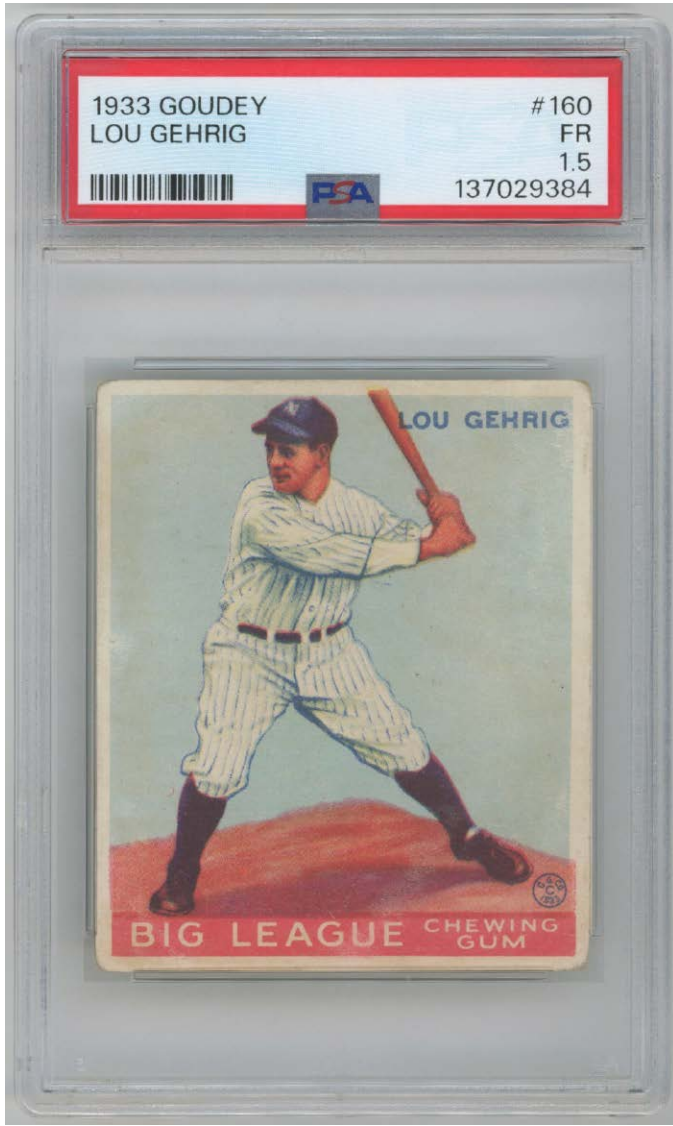

42 1933 Goudey 144 Babe Ruth

PSA 45000

A classic Babe Ruth card, many collectors favor this one over his other 1933 Goudey cards. These are almost always found in very rough condition owing to their extreme popular among young baseball fans, it is very hard to find a pure PSA 4 in this market. The offered card has good color and a fine image. The corners exhibit light and consistent wear.

The borders are clean. The surfaces are quite clean, the back looks great. We have examined the card closely under magnification and do not see any creases. The edges are crisp. Centered a touch to the right border, this is a superb card for the grade. It will be very interesting to see what happens with these key Babe Ruth cards cards value-wise over the next few years.

Babe Ruth and Lou Gehrig

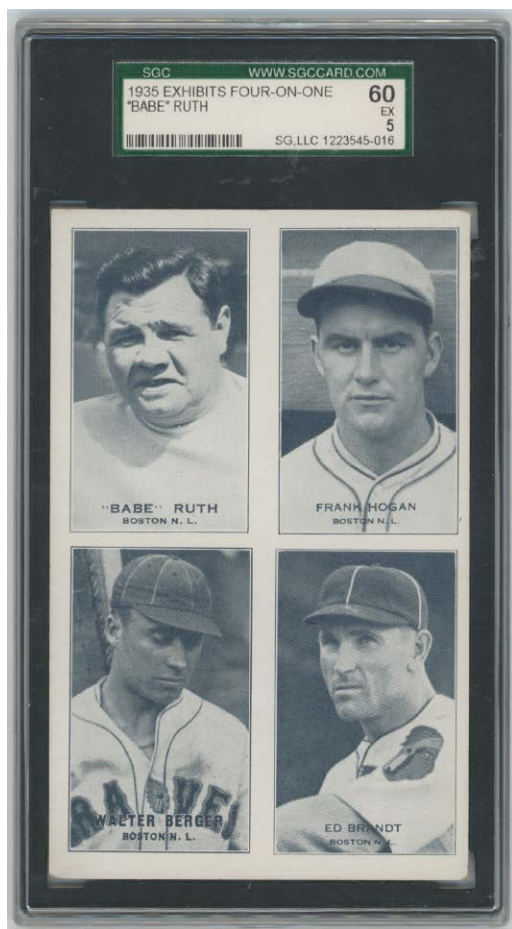

43 1933 Goudey 160 Lou Gehrig **PSA 1.5800**

A classic card, this is a bit tougher than the #92 card. Freshly slabbed, this is an awfully nice card for the grade. Beautifully centered, this has clean white borders, good color and a flawless image. The corner wear is moderate and very light for the grade. The back is extremely clean overall. Very light creasing is present, this has to be one of the very finest looking cards in this grade in circulation.

44 1933 World Wide Gum 93 Babe Ruth **PSA 2.53000**

A tough card to find, these are so much scarcer than the American counterparts. A very condition sensitive card, we usually only found these in truly terrible condition. The offered has rich color and a beautiful image. Fairly well centered, this is extremely nice for the grade. The image of Ruth has perfect clarity and contrast. We cannot see any creases or wrinkles, even under magnification. The back is clean, the borders as well. The corner wear is mild and consistent, it would be almost impossible to find a nicer card for the grade.

Babe Ruth and Lou Gehrig

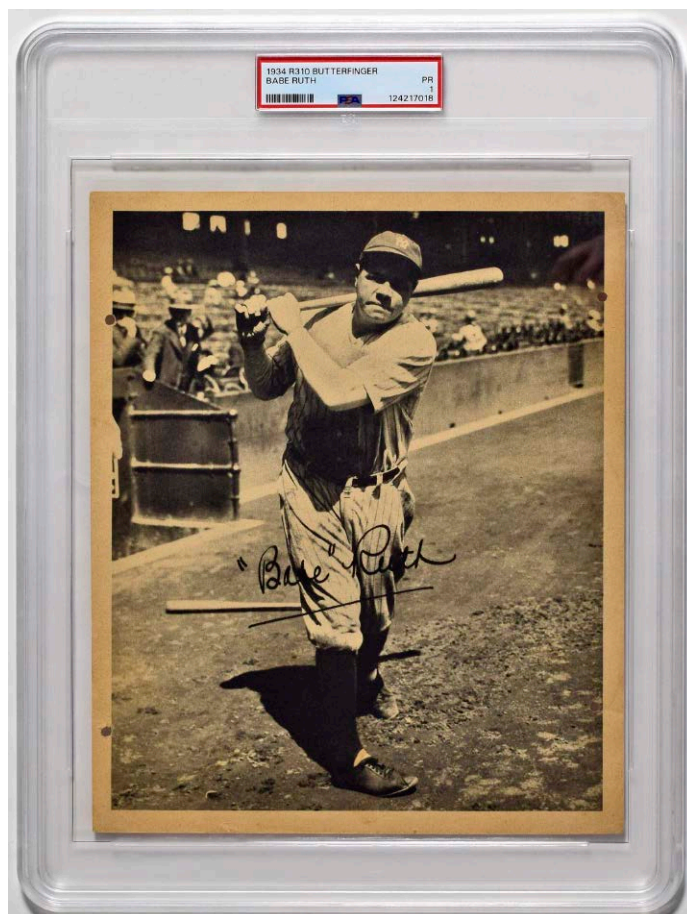

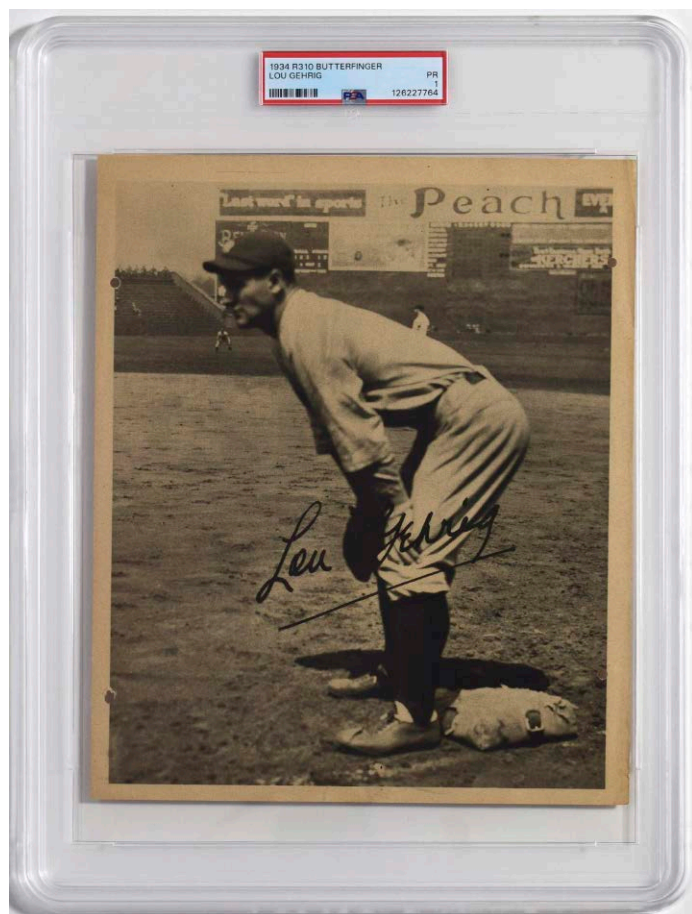

47 1935 Four-In-One-Exhibits Babe Ruth (Boston Braves) SGC 5 700
A very tough card that hardly comes to market, this one is neat as it is from Babe Ruth's final season as a player in Major League Baseball. Ruth was cast off a bit to the Boston Braves for the 1935 season, and his few cards from that year are prized by collectors. As with all 1930s 4/1 Exhibit cards, these are very condition sensitive cards that are always quite scarce in Ex or better quality. The offered lot has excellent centering, clean white borders and four perfect images. The corners show only light wear, the surfaces are quite clean. The back is spotless, this is a very tough Babe Ruth card to find in this quality and is very undervalued in our opinion.

50 1935 Schutter-Johnson 20 Lou Gehrig PSA 2 300
A very tough Lou Gehrig 1930s gum card, these are scarce. Freshly slabbed, this is a really nice 2. Well centered, the offered card has rich color and a fine image. The corner wear is not bad at all, the borders are clean, the back as well. One fine crease keeps this at a 2, this looks terrific for the grade.

51 1935 Schutter-Johnson 42 Babe Ruth PSA 3 mk 300
A very tough and real oddball Babe Ruth 1930s gum card, these hardly ever come to market. Freshly slabbed, this has some surface wear on the front by the upper right corner and staining on the back. The card retains good color, has strong centering and retains good eye appeal. The corner wear is light, the borders are clean overall. Neat card.

Babe Ruth and Lou Gehrig

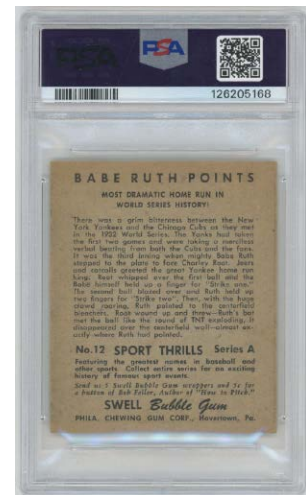

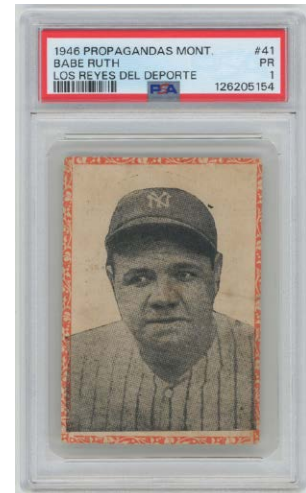

48 1935 R310 Butterfinger Lou Gehrig PSA 1 450

This is a desirable large format card of Lou Gehrig. These were issued on brittle paper and are extremely fragile. The offered lot actually has crisp edges and strong borders, but alas four tackholes keep this at a 1. The placement does not affect the image itself, this is an attractive 1 overall.

49 1935 R310 Butterfinger Babe Ruth PSA 1 450

Far from terrible, this rates a 1 due to file holes to the extreme left and right of Babe's image. The edges are actually full, there are no obvious tears. The large format image of Ruth batting displays really well, the back has no paper loss or damage.

Babe Ruth and Lou Gehrig

52 1939 African Tobacco 34 Babe Ruth (small) **PSA 3 300**
 Freshly slabbed, the offered lot has outstanding centering. The image looks great, the surfaces are quite clean. The corner wear is mild and consistent. We do not see any creases or wrinkles, even under magnification. The back looks great, this looks to be a superb and ideal 3 to our eyes.

53 1939 Salutation Exhibit Lou Gehrig **PSA 2 mk 300**
 One of my personal favorite Gehrig cards, these are so hard to find. The absolute key to a great set, the offered card is freshly slabbed. The image quality is terrific, the edges show moderate wear, the corner wear is not bad at all. There is mild creasing at the upper left corner of the front, the front otherwise appears to be fairly clean. The blank back has no paper loss, but some type of wear may be here, it is very hard to discern in the holder. The mk qualifier is most likely due to erased pencil writing, we are not sure. Either way, this card has a fine image and is a very desirable card in any grade or state.

54 1946 Prograndas Montiel 41 Babe Ruth **PSA 1 200**
 A difficult card to find in any kind of condition, the offered card is rather nice for the issue. Conservatively graded, this has good centering. The color and image quality are very strong. The corner wear is not bad at all. Moderate creasing is present, the back has only slight staining and displays well overall.

55 1948 Swell Sport Thrills 12 Ruth/Gehrig **PSA 3 150**
 One of so few vintage cards to pair Ruth and Gehrig, these are so undervalued. Freshly slabbed, this is sharp but centered almost completely to the right border. The image is flawless, the edges are crisp. The surfaces are quite clean, we do not see any creases or wrinkles. The back is clean, the corner wear is very light for the grade, solid card.

Mickey Mantle

56 1951 Bowman 253 Mickey Mantle Rookie Card PSA 3 3000

One of the ultimate baseball cards, these seem like an awfully shrewd buy to our eyes in this market. The offered card is exceptionally crisp, bright and attractive for the grade. The image has absolutely perfect color, registration and focus. The borders are white, there are no print lines or visual defects of any kind. The corners are in the Ex range, the edges are crisp. The offered card has terrific centering left-to-right and is centered slightly to the top border.

We have examined the card very closely under magnification under a bright light, and we cannot see any creases or wrinkles. The back has some light general wear to the right side, this might be why it only graded a 3. If you are looking for a Mickey Mantle Rookie Card that punches well above its weight, then this is a card worthy of serious consideration.

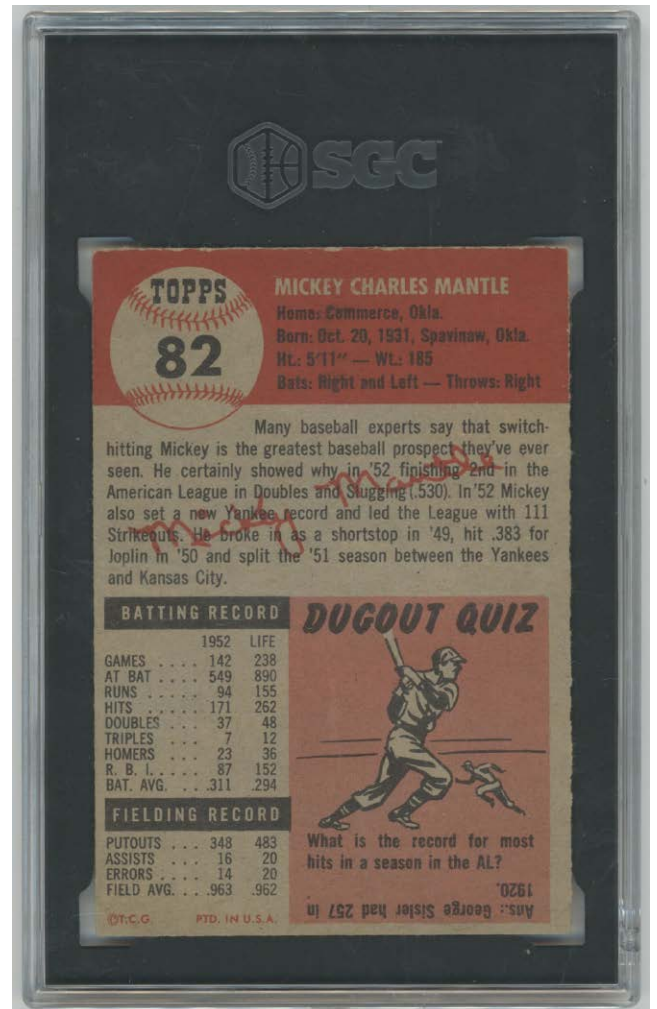

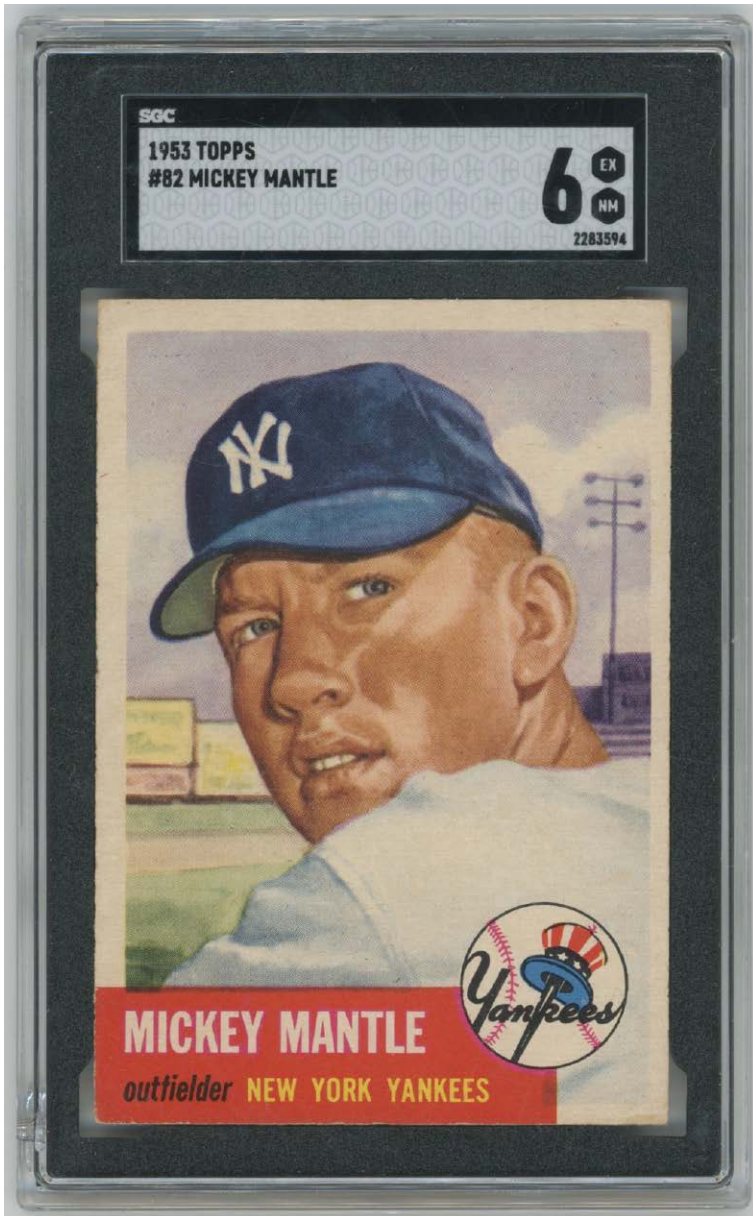

Mickey Mantle

57 1951 Wheaties Mickey Mantle Rookie Card **PSA 2 750**
A very, very tough card that does not get its just due in the hobby right now, these hardly ever come to market. This is a very attractive oversize issue from Mantle's Rookie season, the image of a so young Mantle looks great. This is a great card to add to any advanced Mantle or 1950s card collection, or just to put in a box for a few years and see where the market ends up.

58 1952 Berk Ross Mickey Mantle **PSA 7 2500**
A great card, these are so hard to find in any kind of condition, much less a Near Mint 7. Notable for the use of the same image as Mickey's 1951 Bowman card, but these are so much harder to find! Centered to the left border, the offered card has rich color and perfect image quality. The borders are quite clean, three corners are sharp, the upper right corner shows slight wear. The back is well centered and clean. Great card.

Mickey Mantle

59 1953 Topps 82 Mickey Mantle

SGC 6 3000

A truly iconic card, this is the only vintage Mickey Mantle card that was produced from an original painting. The absolute key to the second Topps set, these almost always have major condition issues. The offered card has a crystal clear and superb image. The corners come to points, the centering is good. The red borders show hardly any wear. The borders are clean, with just some very subtle toning at the lower right. The back is crisp and quite clean. Great card.

Mickey Mantle

60 1954 Bowman 65 Mickey Mantle **PSA 7 1375**
Another classic 1950s Mickey Mantle card, these are so hard to find in top quality. Notorious for centering and print defects, the offered card is special. Beautifully centered with one of the best images of Mantle on a card, this looks great. The corners come to solid points, the borders are white, the color is terrific. The back is bright and clean, superb 7.

61 1954 Red Heart Mickey Mantle **PSA 7 1300**
A truly iconic Mickey Mantle card, these are beloved by collectors. The kind of Mantle card that seems to be appreciating rapidly by the month, these are always nice to find in PSA 7 holders. The offered card has a superb image of a very youthful Mantle. The corners are all quite sharp, the surfaces are perfectly clean. Centered mildly to the left border, this likely kept this from grading an 8. Fine card.

Mickey Mantle

62 1954 Red Heart Mickey Mantle

The back is flawless, this is almost certainly the finest condition example of this card that we have seen or handled. Superb.

Mickey Mantle

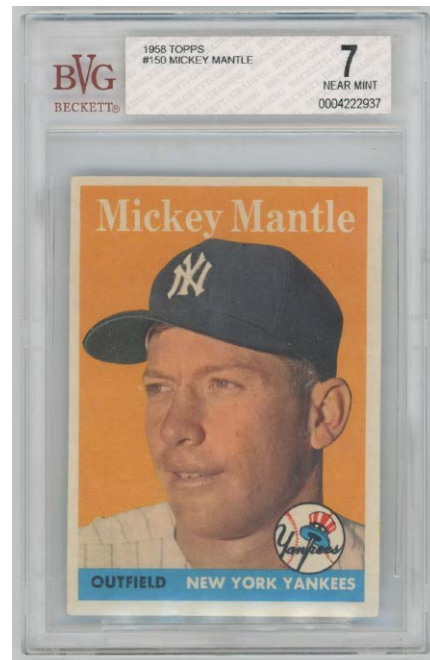

63 1955 Bowman 202 Mickey Mantle PSA 7 1300
One of my personal favorite Mantle cards, these are so hard to find in quality condition. The offered lot has four solid corners and rich brown borders. The color image of a still young Mickey Mantle looks great. Centered to the top border, this displays really well. The back is crisp and clean, this will be a real upgrade for almost all of you.

64 1956 Topps 135 Mickey Mantle PSA 7 2000
One of the most classic of all Mickey Mantle cards, these are prized by collectors. From Mickey's historic Triple Crown season, this is the absolute key to this beloved 1950s Topps set. The offered card is a superb Near Mint 7 exemplar. The card offers perfect color and image quality, with no print lines. The borders are bright white, the grey back is pristine. The corners are all quite sharp, honestly probably the sharpest corners that we have ever seen on a 56 Mantle 7. Centered just a touch to the left border, this kept this out of contention for an 8. Superb card.

Mickey Mantle

65 1958 Topps 150 Beckett 7525

A very hot Mantle of late, these are difficult to find with sharp corners and quality centering. The offered card in fact is well centered and sharp. The color and image quality are perfect, the borders are white. This is a very fine looking Near Mint 7 to our eyes, and is one of the nicest examples of this classic Mantle card that we have seen in some time.

An absolute key to this widely collected set, these are never easy to find in this quality. The offered card has four sharp corners. The color and image quality are superb, there are no print issues. Sharp with outstanding centering, I always liked this card. These are not scarce, but still appear to be an outstanding value in this market in PSA 7 quality.

91 Al Myers (Wash-portrait, scarce) SGC A..... 150
An attractive Old Judge card with a nice image, this seems to be a very uncommon card. The card has creasing by the upper left corner and some back damage from the same corner, this likely led to the Authentic rating.

92 Billy Sunday PSA 1.5..... 200
One of the most interesting cards in the legendary Old Judge set, Billy Sunday famously went to become America's most prominent evangelical minister in the early 20th century. Freshly slabbed, these are always so hard to find. The offered card has a crisp and well defined image. Some creasing is present, there is a substantial crease by the lower left corner that is more visible on the back than the front. The surfaces are reasonably clean overall, the back has no paper loss. Cut to the right border, this is a solid card for the grade.

The key to this great set, this is a cornerstone 19th century HOF card. A vital name in this era in baseball history, these cards are such bargains right now to our eyes. The offered card has rich color and a fine image. The front of the card has no visible creases, but has some stray unknown marks and possibly some type of wear by the lower right corner. The edges are crisp, the corners are not bad at all. The back has some damage by the bottom border, hence the grade. This is an excellent card to add to any advanced pre-war baseball HOF card collection.

The front has a fair amount of corner wear, there is no obvious creasing. The back has no paper loss, but writing is present. 19th century HOF baseball cards seem like utter bargains to us in today's market.

196 1922 Exhibit Bill Klem PSA 4..... 300

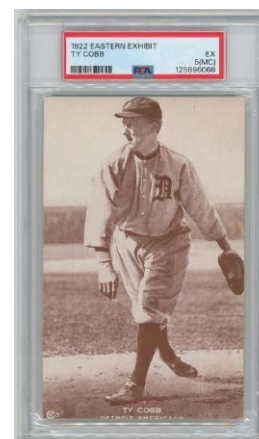

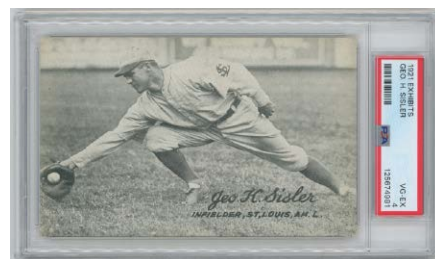

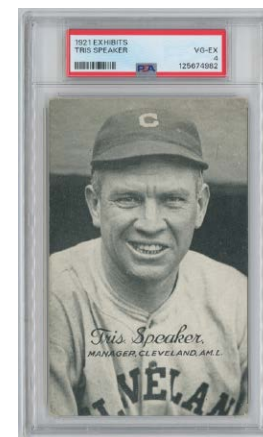

A very desirable card of this HOF umpire, he has hardly any cards. The only other early card of him is the M101-2 Premium, this is his first appearance by himself. A scarce card from a tough Exhibit set, these is a very pricey card. The offered card is freshly slabbed, and has a gorgeous image. There are no visible creases or wrinkles, even under magnification. The surfaces are clean, wear at one corner on the back keeps this at a really nice 4.

Baseball Cards

200 1926 Postcard Back Exhibits Ty Cobb PSA 2..... 200

A very difficult Ty Cobb Exhibit card, these are tricky as they are from the postcard back set, yet have a blank back (trying saying that real fast twice!). Freshly slabbed, the offered card has a very unusual image of Ty Cobb looking up after hitting a ball. A very pleasing Good 2, this has moderate corner wear and good eye appeal. Some creasing is present, the black black looks good. The surfaces are clean overall, this displays very well for the grade.

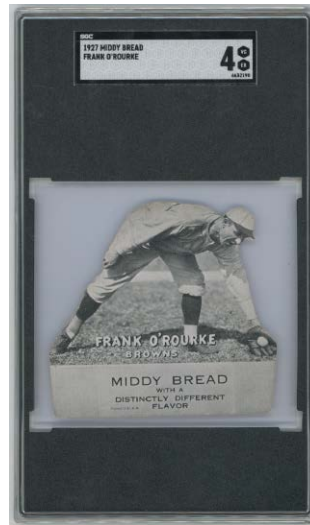

201 1927 Exhibit Ty Cobb PSA 1..... 200

A tough card of Ty Cobb from the end of his legendary career, we hardly ever see these. Freshly slabbed, this card is a 1 due to creasing and a subtle pinhole. Despite the grade, the card has a colorful and engaging image of Cobb. The eye appeal is solid, the card is low grade but far from abused. The back has no paper loss, no doubt this desirable card will find a very happy home in the auction!

202 1927 Middy Bread Frank O'Rourke SGC 4 375

A famously scarce 1920s die-cut issue, this might be the first authentic example that we have ever seen or handled. A super cool card when held in hand, this is almost a must-have for a big type-card or St. Louis Browns collector. The offered card has crisp edges, a fine image and tremendous eye appeal. The back is clean with no paper loss, slight toning by lower right corner on the front may have kept this at a 4, we are not sure otherwise why it is only a 4. Who wants to own a very unique and attractive card that almost no one in the hobby has?

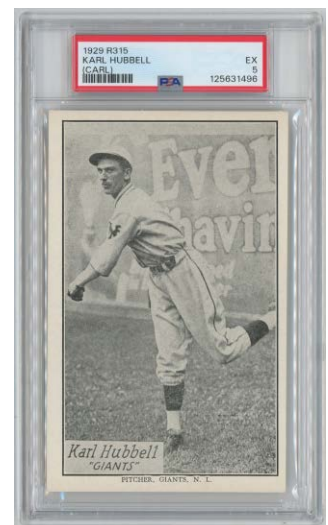

203 1927 Middy Bread Walter Gerber SGC 4 375

A famously scarce 1920s die-cut issue, this might be the first authentic example that we have ever seen or handled. A super cool card when held in hand, this is almost a must-have for a big type-card or St. Louis Browns collector. The offered card has crisp edges, a fine image and tremendous eye appeal. The back is clean with no paper loss, slight toning by lower right corner on the front may have kept this at a 4, we are not sure otherwise why it is only a 4. Who wants to own a very unique and attractive card that almost no one in the hobby has?

204 1928 R315 Jimmy Foxx (Jimmie) PSA 5..... 150

A very tough card to find in this quality, this will be one of the nicer examples in circulation. Freshly slabbed, this has a terrific image, clean white borders and pretty sharp corners for the grade. Centered to the top border, the surfaces are clean, the back is pristine. Fine card.

205 1928 R315 Karl Hubbell (Carl) PSA 5..... 150

A very desirable card, many consider this to be his Rookie Card. A PSA 4 sold for \$1,500 in 2023, a PSA 3Q \$950 on 8/2025. Freshly slabbed, this is far superior to any recently sold cards. Well centered, the image looks great. The corner wear is very light, the borders are white. The blank back appears to be pristine, this appears to be a superb 5 to our eyes.

Baseball Cards

206 1928 W565 Uncut Sheet w/Lou Gehrig
Beckett 1..... 375

A scarce and desirable 1920s uncut sheet, these hardly ever come to market. A very unusual issue, these check in at 25 cards. The cards all have a red background. The first twenty cards all cover entertainment, with Al Jolson, Eddie Cantor and John Barrymore. The bottom five cards are sports: baseball players Lou Gehrig, Tony Lazzeri and Al Simmons with two secondary boxers. The sheet has a chip at the upper left corner and other condition issues, it displays nicely overall. The Gehrig card has some surface nicks but displays well, the unusual colored back has some staining and is not bad at all. Neat piece.

207 1929 R316 Kashin Large Format
Claude Willoughby PSA 1.5..... 100

A rare issue, these check in at 5x7. Something that you hardly ever see, these are great looking cards when held in hand. Akin to a type-one photo, the image clarity is terrific. Freshly slabbed, the edges are crisp, some fine creasing and wear by one corner on the back keep this at a 1.5.

208 1931 Metropolitan Studios St. Louis Cardinals
Jim Bottomley (pop 1/1, highest graded) PSA 5 100

An extremely attractive oversize issue, these are great to enjoy when held in hand. As with all oversize issues, they are condition sensitive and PSA is typically merciless when grading. The offered card is freshly slabbed and superb. The card appears to be immaculate, with four sharp corners, pristine surfaces and a great image of this happy HOFer posed with a tilted hat. Only five of these have ever been slabbed by PSA, this is the top example.

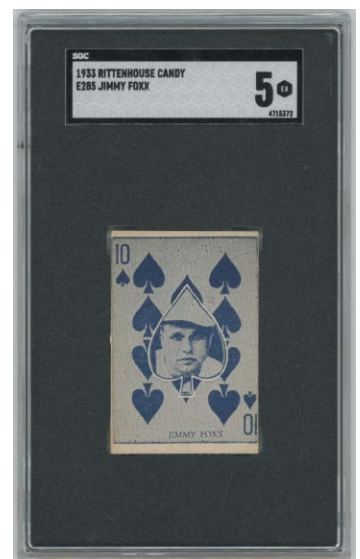

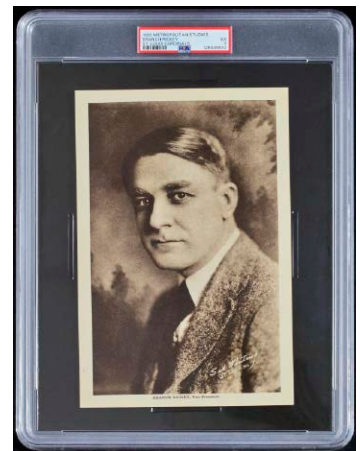

209 1931 Metropolitan Studios St. Louis Cardinals
Branch Rickey (pop 1/1, highest graded) PSA 5 100

An extremely attractive oversize issue, these are great to enjoy when held in hand. As with all oversize issues, they are condition sensitive and PSA is typically merciless when grading. The offered card is freshly slabbed and superb. The card appears to be quite clean, with crisp corners, white borders and a very fresh look and feel. One of the most important figures in baseball history, Branch Rickey has so few cards, this seems like an ideal card to put away for a few years and see what happens with the market values.

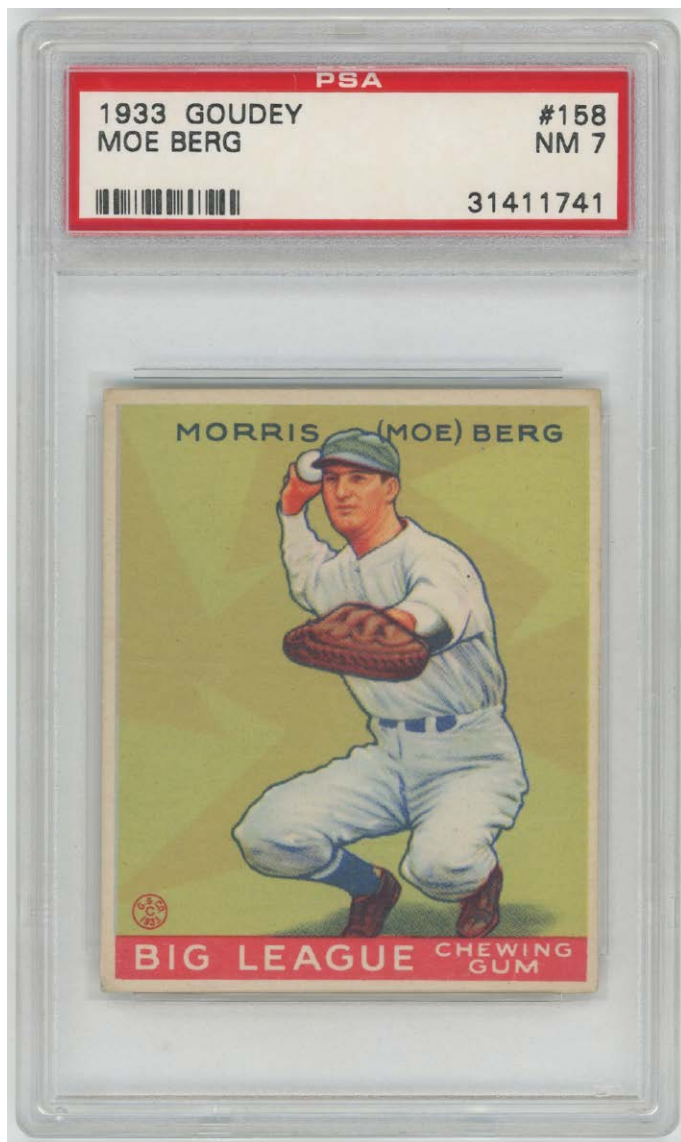

210 1933 Butter Cream Lefty Grove PSA 2 mk..... 150
A very scarce card, this is freshly slabbed. The printing from the back displays on the front, the image is otherwise nice.

211 1933 E285 Rittenhouse Candy Jimmie Foxx
SGC 5 500

A rare card, this might be only the second time in thirty years that we have seen or handled one of these. A novel card with good color, this is an absolute key to this elusive early 1930s set. Nicely cut, this has fairly crisp edges, a clean back and an attractive overall look and feel. Light corner wear is present, this appears to be a very solid card for the grade. Please note there has not been a public sale for this card in any grade since 2022. Likely the highest grade example extant, going back to 2010 in VCP, the only example with a numerical grade that sold was a Beckett 1 back in 2014. Who wants to own a card of a major HOFer that (almost) no one else has?

Baseball Cards

The corners are solid, the image looks great, as does the back. There has not been a sale of this card in a Near Mint 7 holder in over four years. This is a great card.

PSA 2..... 150 One of the most unique and interesting 1930s card issues, these are very scarce and seem so undervalued in today's market. Freshly slabbed, there is no obvious creasing, this displays pretty well overall. The 2 grade is due to staining towards the bottom of the card, this is not a bad card at all. Sets, Lots and Ungraded Cards

323 1907 Dietsche Chicago Cubs

Complete Set w/graded keys (scarce) 300

A really scarce set, these are very hard to find even as single cards. A fun and attractive little set, this is a star-laden Cubs team that was among the best teams in baseball in this era. The key cards are freshly slabbed, they came back as follows: Mordecai Brown PSA 3, Frank L. Chance PSA 3, John Evers PSA 3, Edw. M. Ruelbach PSA 3, Harry Steinfeldt PSA 3, Joseph B. Tinker PSA 3. The balance of the set is a pleasing VG overall. This is a very undervalued set, this is something to seriously consider putting aside for a few years to see what happens with the market.

324 1907 Dietsche Detroit Tigers

Complete Set - Cobb (14 pcs) 150

A neat postcard set, this is just missing the two Ty Cobb variations. The HOFers are Sam Crawford (PSA 3.5) and Hugh Jennings (PSA 1). The balance of the set looks to be in the VG to VG Plus range and is pretty nice. The lot includes the original mailing envelope.

325 1908 Dietsche Detroit Tigers

Scarce Second Series Near-Complete Set (20/22).... 600

An extremely scarce issue, these were only issued in 1908 and are very distinct from the more common first series 1907 Dietsche Tigers postcards as the names are printed on the front of the card. These are prized by collectors of this issue. A 19-card run that is inferior to the offered lot in our opinion brought \$6,900 in 2024. The offered lot is just missing Beckendorf and Cobb for completion. The offered cards are all freshly slabbed and present well for the grade. The exact inventory is as follows: Owen Bush PSA 3, William Coughlin PSA 3, Sam Crawford PSA 3.5, William E Donovan PSA 2, Jerome W. Downs PSA 3, Hughie A Jennings PSA 3, Edward H. Killian PSA 3, Tom Jones PSA 2.5, Matthew McIntyre PSA 3, George J. Moriarty PSA 2 mk, George J. Mullin PSA 3.5, Charles O'Leary PSA 4, Fred T. Payne PSA 2, Germany Schaefer PSA 3.5, Claude Rossman PSA 2, Oren Edgar Summers PSA 3, Ira Thomas PSA 3, Charles Schmidt PSA 3, Edgar Willett PSA 3, George Winter PSA 3.

326 1909 Domino Discs

Collection of 42 different w/eight HOFers 400

A super cool and undervalued tobacco era set, these are so much harder to find than T206s, T205s and similar issues. A creative set, these come in various colors and are well designed. These are generally well centered. There is some moderate condition variance, we feel these average about Ex overall. The HOFers are Baker, Clarke, Collins, Huggins, Jennings, Marquard and Wallace (2). These should have a pretty substantial value as singles, everything will be pictured on our website.

327 1910 P2 Sweet Caporal Pins

23 different commons Strong Ex-Mt/NM..... 250

A clean overall lot, everything will be pictured front and back on our website.

Baseball Cards

329 1911 T205 65 different commons VG 900
Offered is a substantial lot of commons from this widely collected and very attractive tobacco set. VG overall, the cards have mild condition variance. Only a few cards have back issues, the lot does include a Cycle back and a few other uncommon backs. A perfect start on a VG set or to use as upgrades, these are not easy to find in this quantity.

330 1912 L1 Leather Premium Magee 100
L1 Leathers are truly among the coolest and most interest baseball cards ever produced. Created during a golden age for creativity in card production, these are truly rare and revered by collectors. So undervalued in today's market, even extremely advanced vintage card collections do not have a single one of these. A near-HOFer, this has extensive wear, even damage on the top 1/3 of the piece. The image is mostly unaffected, this has pinholes and is perfect for many type-card collections.

331 1912 L1 Leather Premium Marquard 300
L1 Leathers are truly among the coolest and most interest baseball cards ever produced. Created during a golden age for creativity in card production, these are truly rare and revered by collectors. So undervalued in today's market, even extremely advanced vintage card collections do not have a single one of these. A New York Giants HOF pitcher, this has a nice image with solid contrast. The surfaces exhibit typical general wear, there are two spots next to Marquard's image. Full size, this has none of the usual pinholes and displays very well overall.

328 1911 T201 Double Folders
Complete Set w/graded keys 800
A great value set, this charming issue is just loaded with HOFers. One of the few relative bargains left among tobacco cards, this is a good set to leave in a closet for a few years. The offered set is mid-grade, PSA is always so tough on these.

The graded cards are all freshly slabbed, they are as follows: Baker/Collins PSA 2, Bender/Oldring PSA 2, Bergen/Wheat PSA 1, Bresnahan/Huggins PSA 3.5, Bridwell/Mathewson PSA 1, Brown/Hofman PSA 2.5, Chance/Evers PSA 2.5, Cicotte/Thoney PSA 4.5, Cobb/Crawford PSA 2, Falkenberg/Lajoie PSA 2, Gardner/Speaker PSA 1, Jennings/Summers PSA 1.5, Johnson/Street PSA 2, McCarty/McGinnity PSA 2, Payne/Walsh PSA 1.5. The balance of the set appear to be in the VG-Ex range on average, but include some lower grade cards and also much sharper cards.

Baseball Cards

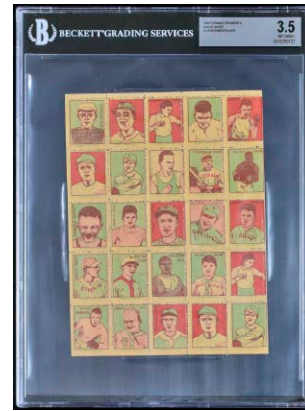

332 1912 L1 Leather Premium Walsh 300
 L1 Leathers are truly among the coolest and most interest baseball cards ever produced. Created during a golden age for creativity in card production, these are truly rare and revered by collectors. So undervalued in today's market, even extremely advanced vintage card collections do not have a single one of these. A key HOF pitcher from this era, this should be a very popular lot. The image has strong contrast, the offered lot displays really well. Some general wear and rubbing is present, as is typical for the issue. Full size with no pinholes, these are just such awesome cards, the winning bidder should really enjoy this great piece.

333 1921 Exhibit 47 different w/HOFers VG-Ex 300
 A vital and classic 1920s Exhibit set, these are such great cards. The larger size allows for terrific images. Offered is a very solid mid-grade run, these vary only lightly in grade. This is something that you just do not see much anymore in any kind of quantity. An ideal foundation for a mid-grade set, these better cards are included: Bancroft VG-Ex, George Burns PSA 4, Carey VG, George Kelly PSA 4, Carl Mays PSA 4, Shocker PSA 4.

334 1922 Exhibit Near-Set (66 different) VG-Ex 500
 A very tough set, these are much scarcer than the 1921s. The offered lot is mixed grade, these appear to range from Good to Ex Plus. The cards display well overall, we feel these average at least VG-Ex overall. These freshly graded cards come in the lot: George Burns PSA 4, Wm. Evans UMP PSA 1 mk, George Moriarty UMP PSA 3.5, Roger Peckinpah PSA 4, Charles Rigler UMP PSA 4.

335 1923 German Baseball Transfers Complete Set Beckett 3.5..... 150
 A fun set from the 1920s, these check in with twenty-five cards. Colorful and attractive, the players include Ruth, Cobb, Bancroft, Faber, Wheat, Speaker and Stengel, with some boxers. Centered to the right border, these appear to be clean overall. These are a terrific value in today's market.

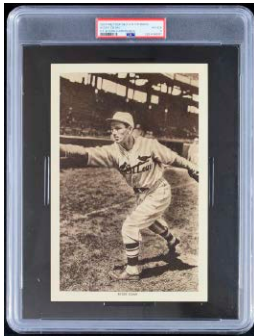

336 1929 R316 Kashin Complete Set -5 (95/100) VG+ 500
 An underrated set loaded with HOFers, these represent a terrific value. The offered set varies a good bit in grade, these range from Good to Ex Plus. The key cards represent a reasonable variety of the condition of the set. Missing only five cards (Berg, Foxx, Gehrig, Hadley and Ruth), we rate the key cards as follows: Bottomley VG-Ex/Ex, Combs Ex, Faber VG+, Frisch VG+ back wear, Gehringer PSA 3, Goslin Ex, Grimes VG-Ex/Ex, Grove PSA 5, Hafey Good, Haines PSA 2, Hornsby PSA 1.5, Hoyt PSA 2 mk, Klein Ex+, Lindstrom VG-Ex/Ex, Manush Ex wear back, Maranville Ex+, Ott PSA 2.5, Pennock Ex, Rice VG, Roush VG-Ex, Ruffing Poor (pinhole), Seibold VG-Ex/Ex, Sewell Ex, Simmons VG-Ex/Ex, Terry VG-Ex/Ex mk, Todt PSA 3.5, Traynor VG-Ex/Ex, Vance VG, L. Waner Ex, P. Waner Ex and Hack Wilson VG+. Also please note a few of the original boxes come with the lot as well.

Baseball Cards

337 1930 Post Cereal

Rare 4-Card Panel with Christy Mathewson..... 100
A super cool item to hold in hand, this measures a robust (nearly) 6 x 7.5 inches in size. The cards are bigger than those that typically trade. The piece retains vivid color and terrific eye appeal and display value. Some creasing and wear is present, mainly at the left edge. The back has some creasing but no paper loss, it is not bad at all. Low grade but very attractive, this is the first time that we have ever seen or handled one of these.

338 1931 Metropolitan Studios St. Louis Cardinals

Complete Set w/graded keys 150

An extremely attractive oversize issue from a St. Louis Cardinals Gas House Gang era World Series team, these are great to enjoy when held in hand. We sent three cards to PSA: Jim Bottomley (PSA 3), Dizzy Dean (PSA 4) and Branch Rickey (PSA 3). This neat little set has no less than seven HOFers! The grades naturally appear to be super conservative as PSA is so hard on oversize issues. The balance of the set appears to be in the E to Ex-Mt range, with light variance. Please note a separated original envelope comes with the lot.

341 1934 Diamond Stars

43 different VG-Ex..... 325

Offered is a lot that would be an excellent start for a mid-grade set. The condition appears to be pretty consistent. We have scans of everything on our website, this is an attractive and well assembled lot with no issues.

342 1939 Centennial of Baseball

Complete Stamp Set (25 pcs) VG-Ex..... 200

A fun and colorful set, these are almost rare due to slabbing. A mid-grade set, these appear to have slight condition issues but display well overall. The Ruth has a very fine crease, the Wagner slight residue on the front, the Cobb has mild wear as well. A good value with absolute top HOFers, this set is missing from even very advanced collections.

339 1933 Eclipse Import Complete Set -1 Ruth

(22 different) - All Freshly Slabbed by PSA 500

A rare offering, how often do you ever see a lot like this? These just came back from PSA, the batch does look to be conservatively graded at a quick glance. These surely have a substantial value as singles. The lot is as follows: 401 Johnny Vergez PSA 1, 404 George Pipgras PSA 4, 405 Bill Terry PSA 2.5, 406 George Connolly PSA 1, 407 Watson Clark PSA 2, 409 Henry Johnson PSA 2, 410 Jimmy Dykes PSA 1, 411 Henry Schuble PSA 2.5, 412 Dave Harris PSA A, 415 Al Simmons PSA 3, 416 Heinie Manush PSA A, 417 Glenn Myatt PSA 2, 418 Babe Herman PSA A, 419 Frank Frisch PSA 2, 420 Tony Lazzeri PSA 3, 421 Paul Waner PSA 3, 422 Jimmy Wilson PSA 1.5, 423 Charles Grimm PSA 2.5, 424 Dick Bartell PSA 2, Jimmy Foxx PSA A, Roy Johnson PSA 1, Pie Traynor PSA 4.

Baseball Cards

44 1947 Bond Bread

Complete Set w/3 SGC-Graded Key Cards..... 200

A fairly unique set, the square cut examples are now controversial due to the person who brought them to the hobby in 1980s. The rounded corner cards have never been questioned as far as we know. This is an interesting set that has Rookie Cards of several HOFers and many tough single-printed cards. The Jackie Robinson card is not being slabbed at this by a grading service as far we know, but that could change in the future. We submitted three key cards to SGC: and they came back as follows: Yogi Berra (RC) SGC 4, Joe DiMaggio SGC 3 and Pee Wee Reese SGC 4.5. The offered lot has 17 cards with rounded corners, the other 31 cards have square corners. The rounded corners run includes Rookie Cards of Carl Furillo and Gil Hodges, these are never easy to find, and are always desirable. The square cut cards appear to be high grade, and include Joe Louis, Stan Musial and Ted Williams. Please note the current value of just the three SGC-graded cards is in the \$1,500 to \$2,000 range.

346 1948 Bowman Complete Set Ex* 200

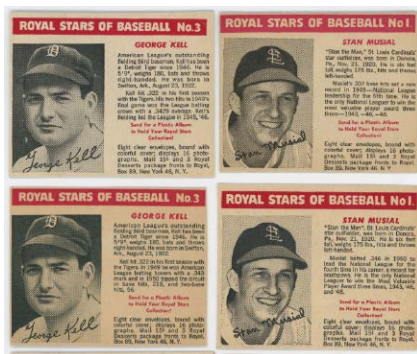

A key early set, these are always so popular among collectors. The offered is uncommonly sharp and clean, but many of the cards appear to have been hand-cut from uncut sheets and panels way back when. This was not done to be malicious, collectors in the 1970s preferred single cards to panels (as is the case today as well!). So no promises on slabbing, assume anything could come back Authentic. With that clearly disclosed, these are clean and crisp cards, we rate the key cards as follows: 1 Elliott RC Ex-Mt, 3 Kiner RC Ex+, 4 Mize NM, 5 Feller PSA 4, 6 Berra RC PSA 2.5, 7 Reiser SP Ex-Mt, 8 Rizzuto Ex, 17 Slaughter VG-Ex/Ex, 18 Spahn RC PSA 5.5, 36 Musial RC PSA A, 38 Schoendienst RC VG-Ex/Ex, 47 Thomson RC Ex.

343 1941 Play Ball

Paper Issue Uncut Sheet Set (24 cards)..... 500

One of my personal favorite items, these are so beautiful. Almost certainly given to candy stores and retailers to promote the 1941 Play Ball set, these have strikingly rich color and outstanding eye appeal, well above the cardboard cards. Issued on a quality paper stock, these are presented on two twelve-card sheets. These sheets offer HOFers Ted Williams from his historic .406 season, Foxx, Greenberg, Gehringer, Ruffing, Vaughan, Ott and Hubbell. The offered lot is strikingly crisp and clean, as nice a pair of these great sheets as we have ever seen or handled. We do not feel or see any obvious creases on any of the cards, the edges have only very slight wear. As a note, the Ted Williams card in a PSA 9 traded for \$39,000 in late 2024, the Foxx in a 6.5 \$1,500 the same year. We do not feel any surface defects on the Ted Williams. These are almost profoundly undervalued in today's market, this is an outstanding item to put away for some time and let the market hopefully sort itself out.

Baseball Cards

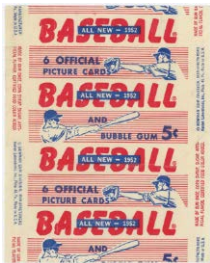

347 1950 Royal Desserts

Complete Set w/many variations (34 cards)..... 500
A very popular set among a niche group of collectors, these are desirable and scarce cards. This set has 24 basic cards, but most of the cards, have variations. The offered set is notable as it includes the basic set plus ten additional variations. A substantial set, the extra cards include Musial and Spahn. As for condition, the cards really vary. Most are pretty well cut, but some are thin at the borders. The cards tend to display well, these easily have the eye appeal of a mid-grade set. We will have scans of everything on our website.

349 1951 Bowman

Complete Set Minus Mantle, Mays (321/324) Ex ... 800
A classic set, this is one of the most attractive and popular of all 1950s baseball card sets. A very substantial set, this has many HOFers, Rookie Cards and an underrated high number run. The offered set averages a pleasing Ex overall with light condition variance (perhaps 25%), hardly anything is overly worn or in need of an upgrade, these were clearly collected with care. We rate the key cards as follows: 1 Ford RC At PSA, 2 Berra At PSA, 7 Hodges Ex, 26 Rizzuto VG-Ex, 30 Feller Ex, 31 Campanella VG-Ex/Ex, 32 Snider Ex, 80 Reese Ex, 122 Garagiola RC VG-Ex/Ex, 134 Spahn VG-Ex/Ex, 165, 186 Ashburn Ex++, 198 M Irvin RC At PSA, 232 N Fox RC VG-Ex/Ex, 254 Jensen RC Ex, 260 Erskine RC Ex-Mt, 282 Frisch Ex, 290 Dickey Ex, 295 Al Lopez VG-Ex/Ex, 306 Piersall RC Ex+, 324 Pramesa RC VG.

348 1951 Bowman Lot of 65 very clean cards

from original owner Ex-Mt/NM..... 300
A very crisp and clean lot, these came directly from the original owner, a really nice 99 year old man! These are a click below slabbing quality, but nonetheless look terrific. This lot could really help to upgrade a set.

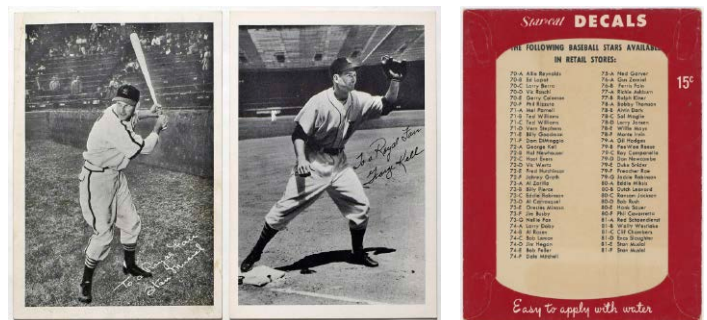

350 1952 Berk Ross

Lot of 37 cards w/9 HOFers VG-Ex/Ex 175
A pleasing mid-grade lot, this is an elusive issue that is very hard to find. The lot has just two duplicates, the condition varies mildly. The cuts are pretty good overall for this set, everything is pictured on our website.

351 1952 Bowman 5 Cent Wrapper

..... 150
A very tough wrapper, these hardly ever come up for public sale. Complete with no rips or tears, the color is vibrant, this has typical fine creasing and crisp edges.

75

352 1952 Royal Desserts Premiums

Complete Set (16) 150
A neat 5x7 sized set, these are not easy to find. Offered is a pleasing mid-grade set. The HOFers in this little set are Kell, Musial, Reese and Rizzuto. The Musial has a fine crease by the upper left corner, and a partial very subtle pinhole. The lot comes with an extra Kell. The condition varies mildly, some are a bit sharper, nothing is in obvious need of an upgrade.

353 1952 Star Cal Decal Checklist (rare)..... 250

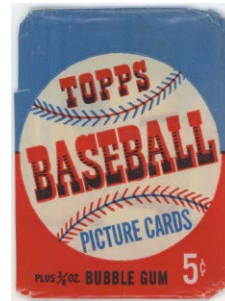

Extremely scarce, even rare, these are from a very popular set filled with classic HOFers. This is an attractive checklist that lists the full names of the sixty-one players in the set. The condition is a very pleasing mid-grade, with mild general wear. The 1952 Star Cal Decal set has exploded in recent years in value, anchored by the early Mantle and Mays cards. Who wants to add something to their Star Cal Decal set that no one else has?

Baseball Cards

354 1952 Topps Scarce 3-card Salesman Sample Panel
SGC A..... 150

A very scarce salesman sample panel, this is one of the most desirable given the set. The first major Topps set, I wonder how many of these were originally produced. These are rare, and hardly ever come to market. The offered example has no visible creases or technical flaws. This has a fair amount of natural toning, you have to love the wonderful descriptions of the 1952 Topps set on the back. This is simply a fabulous item to pair with a 1952 Topps set or is also great for any advanced 1950s collection. Do not assume another one of these will be coming around again anytime soon!

356 1953 Topps 5 Cent Wrapper with original gum 200
Offered is a scarce and desirable original 5 cent wrapper from one of the ultimate Topps sets. The wrapper is nearly complete, but has some of the typical tears. These tend to be on the back at the folding area, this retains vivid original color and displays pretty well overall. These are always great to pair with a 1953 Topps set, hardly any does this as these are very hard to find.

355 1953 Bowman Color
Rare 5 Cent Display Box (Joe DiMaggio)..... 800

A super cool 1950s baseball card collectible that hardly ever comes to market, offered is the original store display box for the seminal 1953 Bowman Color issue. A revered and unique set that is beloved by collectors to this day, this is among the rarest 1950s baseball card display boxes. Interestingly enough, Bowman paid Joe DiMaggio for the cover endorsement, the top name in baseball even a few after his retirement. The box is complete. Tape subtly keeps the top lid with the rest of the box. General wear is present at the corners, this displays really well overall. There are only three public sales for these going back many years, the last example was very rough and traded in 2021. Who wants to own something related to one of the great vintage baseball card sets that (almost) no one else has?

357 1953 Topps Lot of 210 different clean cards 200
A real point of pride for our consignor, these were carefully collected one-by-one over many decades. Everything is in a Card Saver for protection, nothing has been picked for slabbing. The cards look to be about 70% Ex-Mt or better for the basic series, a handful of stars including Billy Martin are in the lot. There are 36 high numbers, these are about Ex overall with some condition variance, mainly below Ex. This lot is a very solid foundation for a clean 1953 Topps set and with the many high numbers and overall quality, will have a substantial value as singles.

358 1953 Topps 134 different w/Robinson, Paige Ex*. 150
An interesting lot, this is a very clean original owner collection. The cards are almost all mid to better grade and display very well, but amazingly each card has 1953 neatly typewritten by the lower left corner on the back. This was delicate work, the cards are not damaged, creased or otherwise affected by this to our eyes. These better cards are included in the lot: 1 J Robinson PSA 1 mk, 10 Burgess, 27 Campanella, 31 Blackwell, 37 Mathews, 54 Feller, 76 Reese, 78 Schoendienst, 104 Berra, 147 Spahn, 191 Kiner (2), 207 Ford, 220 Paige PSA 2 mk.

Baseball Cards

359 1953 Topps Complete Set Minus Mantle, Mays 500

A classic Topps set, this is just two cards away from completion. A solid to better grade set, the keys are all freshly (and generally conservatively) graded by PSA. Four PSA 6 cards come in the lot (145, 172 (6.5), 180, 196). The basic set is close to Ex overall, these vary mainly from VG Plus to Ex Plus and are pretty nice. The high numbers are in the VG range overall, but also not bad at all. An excellent value lot, we rate the key cards as follows: 1 Jackie Robinson PSA 2 mc, 27 Campanella PSA 4.5, 37 Mathews VG+, 54 Feller PSA 4, 61 Wynn PSA 4.5, 66 Minoso PSA 3, 76 Reese PSA 4, 86 Martin PSA 4, 104 Berra PSA 5, 114 Rizzuto PSA 5, 147 Spahn PSA 4, 207 Ford PSA 5, 220 Paige PSA 3, 225 Shantz VG, 228 Newhouser VG, 242 Silvera GVG, 258 Gilliam RC PSA 3, 263 Podres RC Poor (pinhole), 265 Jensen VG, 270 Stephens VG+, 273 Haddix RC GVG, 280 Bolling RC VG.

360 1954 Topps Complete Set -10 w/many stars (240 cards) VG-Ex/Ex 750

A solid offering, these are neatly presented in semi-rigid holders wrapped in penny sleeves. The cards range from VG to Ex-Mt, averaging a very solid VG-Ex/Ex overall to our eyes. We rate the key cards as follows: 3 Irvin Ex, 7 Klusze-wski Ex, 17 Rizzuto VG-Ex/Ex, 20 Spahn Ex, 30 Mathews VG, 32 Snider VG-Ex/Ex, 36 Wilhelm VG-Ex/Ex, 37 Ford VG-Ex, 45 Ashburn VG, 50 Berra VG+ (centered, no creases), 102 Hodges Ex, 132 Lasorda RC VG+, 239 Skowron RC VG-Ex/Ex.

361 1955 Bowman Near-Set (278 different w/Berra, Campanella, Feller) Ex+ 500

Offered is a clean and attractive lot of this underrated set. The cards tend to have rich brown borders, good color and solid eye appeal. The condition varies mildly, the centering is pretty good overall. The lot contains eighty high numbers. These better cards are included in the lot: 1 Wilhelm, 22 Campanella, 25 Minoso, 29 Schoendienst, 33 Fox, 38 Wynn, 59 Ford, 60 Slaughter, 68 Howard RC, 89 Boudreau, 97 Podres, 130 Ashburn, 134 Feller, 158 Hodges, 168 Berra, 171 Roberts, 191 Lemon, 213 Kell, 231 Konstanty, 242 Banks, 246 Bauer, 259 Mossi RC, 265 Barlick RC, 267 Honochick RC, 279 Soar, 281 Berry, 293 Gorman, 299 Warneke, 303 Conlan RC, 307 Pinelli, 308 Lopez, 313 Donatelli, 315 Hubbard.

362 1955 Johnston Cookies Complete Set on Uncut Strips! 800

An extremely desirable item, this was collected in the early 1980s and has been resting peacefully on a shelf since then. Slabbing has made these almost rare, when was the last time one of these came around? A quality team with three HOFers and many star players, the early Aaron card is of course the key here. To our eyes, the Aaron card appears to be quite sharp and clean, we do not see any creases, wrinkles or other imperfections. The strips overall appear to be quite crisp and clean, with very mild wear in places and on some end cards. A novel set that has no contemporary style for any other team, the Milwaukee Braves stuff from this era is beloved by 1950s collectors. Just as a note, the Aaron card alone can trade for \$2,370 in a PSA 6 and \$5,180 in a PSA 9; the Mathews card last sold in just a SGC 2 for \$310, the last sale on a Spahn (PSA 9) was for \$1,886. This is an exciting item with enormous potential for slabbing, but hopefully this will stay with a collector who appreciates this utterly charming 1950s regionally issued set.

Baseball Cards

363 1955 Topps 104 different w/key HOFers Ex* 100
An interesting lot, this is a very clean original owner collection. The cards are almost all mid to better grade and display very well, but amazingly all but thirty-one cards has 1955 neatly typewritten by the upper left corner on the back. These better cards are included in the lot: 2 Ted Williams PSA 4 mk, 4 Kaline, 24 Newhouser, 28 Banks, 31 Spahn, 47 Aaron PSA 6 mk, 50 Jackie Robinson PSA 3 (has mk on back), 75 Amoros RC, 100 Irvin, 125 Boyer RC.

364 1956 Topps Complete Set 700
One of the truly classic Topps baseball sets, this is loaded with popular stars and are always very desirable. The offered set is interesting as it would normally be a Ex Plus set, but all of the cards have two minute tape stains by the top two corners on the back. The cards have a crisp and fresh look and feel. Without respect to the tape issue, we grade the key cards as follows: 1 Harridge RC VG-Ex/Ex (no tape), 5 Williams Ex-Mt, 20 Kaline Ex, 30 J Robinson Ex, 31 Aaron Ex++, 33 Clemente Ex, 79 Koufax Ex-Mt, 101 Campanella VG, 110 Berra Ex++, 113 Rizzuto VG-Ex/Ex, 130 Mays Ex++, 135 Mantle Ex++, 150 Snider Ex-Mt, 166 Dodgers TC Ex++, 200 Feller Ex-Mt+, 240 Ford Ex-Mt, 251 Yankees TC VG-Ex, 260 Pee Wee Reese Ex-Mt+, 292 Aparicio RC Ex+, Checklist 1/3 VG-Ex mk (no tape) and Checklist 2/4 VG-Ex mk (no tape).

366 1957 Topps Complete Set w/Brooks Robinson RC PSA 5 VG-Ex/Ex 800
One of the most classic of all Topps sets, these display pretty well overall. The offered set is VG-Ex overall, but has some issues. The condition varies in both directions, the set could benefit from some fairly simple and inexpensive upgrading. Anchored by a Brooks Robinson PSA 5 Rookie Card, this still a very substantial set. There are cleaner cards all throughout the set as a note. The semi-high numbers are a solid VG-Ex/Ex overall. We rate the many key cards as follows: 1 Williams Good, 2 Berra GVG, 10 Mays PSA 2 mk, 18 Drysdale RC Ex, 20 Aaron VG, 24 Maz RC VG-Ex/Ex, 25 Ford GVG, 35 F Robby RC VG, 55 Banks VG-Ex, 76 Clemente Ex, 95 Mantle PSA 1, 170 Snider GVG, 210 Campanella VG-Ex/Ex, 212 Colavito RC VG+, 286 Richardson RC VG-Ex/Ex, 302 Koufax GVG, 312 Kubek RC VG-Ex/Ex, 324 Dodgers TC VG-Ex/Ex, 328 B. A crisp set from an old time collector, this would have been an Ex-Mt/NM set back in the day now it is more like an Ex Plus overall set. The missing cards are the 150 and 487 Mantles. Collected with care, we sent these cards to PSA for slabbing: 1 Williams VG-Ex/Ex, 5 Mays Ex+, 25 Drysdale Ex, 30.1 Aaron Ex, 47 Maris RC PSA 6 mc, 52.1 Clemente PSA 4, 70.1 Kaline PSA 6, 187 Koufax PSA 5, 246 Yanks TC Ex-Mt+, 285 F Robby NM mc, 288 Killebrew Ex, 307 B Robby Ex, 310 Banks Ex+, 321 Klu/Williams VG-Ex/Ex, 343 Cepeda RC Ex++, 370 Berra Ex+ mc back, 418 Mantle/Aaron PSA 3, 436 Mays/Snider Ex-Mt, 485 Williams AS PSA 5, 486 Mays AS PSA 6, 488 Aaron AS PSA 6. A very difficult run to complete as any collector can tell you, the offered lot varies in grade. Low to mid-grade overall with good color, everything will be pictured on our website. The Aaron is a PSA 2.5, the Clemente a 2. The lot includes two contest cards.

372 1960 Leaf Complete Set VG-Ex/Ex 225
An uncommon set, the many high numbers provide for solid breakdown value. The high numbers are a grade above the low numbers in this lot. 374 1960 Topps Complete Set Ex+ 500
One of the best designed sets of this era, I always liked these. The offered set is interesting as the basic set is pretty high grade, but the high numbers are a grade below, usually it is the other way around. The basic set is really, really nice, one of the best that we have seen in years. The cards look to be about 20% Near Mint, 50-55% Ex-Mt, the balance varies. Clearly assembled with great care, these are strong cards. The high numbers are about half Ex-Mt, the balance vary. We rate the many key cards as follows: 148 Yaz RC Ex-Mt+, 160 Mantle/Boyer Ex, 200 Mays Ex+, 250 Musial Ex-Mt, 300 Aaron VG+, 316 McCovey RC Ex-Mt, 326 Clemente NM, 332 Yankees TC NM, 343 Koufax Ex-Mt+, 350 Mantle Ex slight mc, 377 Maris NM, 480 Berra Ex-Mt+, 563 Mantle AS VG-Ex/Ex, 564 Mays AS VG+, 565 Maris AS VG-Ex, 566 Aaron AS Ex.

375 1960 Topps Complete Set Ex-Mt 600
A really nice set, this is one of my personal favorites from the era. The offered set is strikingly bright and clean for the grade, there are super fresh cards all throughout the lot. We do not believe that this has been picked for grading. The cards appear to be roughly 70% Ex-Mt or better, the balance is almost all in the Ex range. There are Near Mint cards throughout, we do not have a percentage. Generally well centered, this is one of the cleanest ungraded 1960 Topps sets that we have seen in some time. We rate the key cards as follows: 148 Yaz RC Ex, 160 Mantle/Boyer NM, 200 Mays Ex, 250 Musial Ex-Mt, 300 Aaron Ex, 316 McCovey RC Ex, 326 Clemente NM, 332 Yankees TC NM, 343 Koufax Ex-Mt+, 350 Mantle VG-Ex/Ex (no creases, wear at one spot at top center and lower right corner), 377 Maris VG-Ex/Ex, 480 Berra Ex-Mt, 563 Mantle AS Ex+, 564 Mays AS Ex, 565 Maris AS Ex-Mt+, 566 Aaron AS Ex-Mt+.

376 1961 Golden Press Complete Set in Original Book.. 150
A difficult item to find due to slabbing, this is the original full set as issued in a book. The cover shows typical general wear and some creasing. There will be fine creasing on some of the cards, but most appear to be quite clean overall.

A key 1960s Topps set, the breakdown value here is just tremendous. Loaded with HOFers and stars, this is a great set. The offered set is a very fine Ex-Mt/NM overall. We estimate that about half the cards are Near Mint, the balance is almost Ex-Mt or very close to Ex-Mt, with only very light variance below that. The high numbers are exceptionally well centered and a fine Near Mint overall to our eyes. Unpicked for grading, there could be some treasure here, there are really nice cards all throughout this high quality 1961 Topps set. 379 1963 Bazooka Willie Mays Full Box 100
A great collectible, grading has made full boxes really scarce in recent years. The offered box is complete with all flaps. The Mays card appears to be quite clean and sharp, the side panels show some fine creasing. The box has a crisp and clean feel, the color and display value here is terrific.

380 1963 Bazooka All Time Greats Complete Set (41) Ex-Mt/NM..... 100
A popular oddball Topps set from the 1960s, this is loaded with big name HOFers. These have grey borders. An unpicked set, the condition appears to be a very crisp and clean Ex-Mt/NM overall. We see only very slight condition variance, and it is in both directions.

381 1963 Fleer Complete Set NM 250
An underrated set, this has many top HOFers and star players. The offered set is exceptionally sharp and a fine. The centering varies somewhat, but these are seriously sharp cards overall. 385 1965 Topps Complete Set Ex..... 500

A popular set with a great design, these are always fun to review. From a hobby old timer based on the thin sheets in which the cards are presented and because many cards still have the original wax, the condition is mixed grade but nice. The cards range mainly from VG-Ex to Ex-Mt, averaging in the Ex range overall. There are very crisp and clean secondary stars and commons throughout the set, we did not review these for slabbing. We rate the key cards as follows: 3 Killebrew/Mantle LL VG, 16 Morgan RC VG-Ex/Ex, 134 Mantle WS Ex-Mt+, 155 Maris Ex++, 160 Clemente Ex+, 170 Aaron VG-Ex/Ex, 207 Rose VG-Ex/Ex, 250 Mays VG-Ex, 300 Koufax Ex, 320 Gibson Ex, 350 Mantle VG-Ex/Ex (no creases, centered to upper left corner), 385 Yastrzemski Ex, 400 Killebrew VG-Ex/Ex, 461 Carroll/Niekro Ex, 470 Berra NM o/c, 477 Carlton RC Ex, 510 Banks Ex++, 526 Hunter RC Ex-Mt (mc back), 540 Brock Ex+, 581 Perez RC Ex.

387 1966 Topps Complete Set VG-Ex/Ex..... 500

A desirable and difficult 1960s Topps set, this has a pricey high number run. The offered set is a solid mid-grade offering. The cards average just below Ex overall. There is mild condition variance in both directions, the cards tend to have bright white borders and good color and go up to Ex-Mt. Many cards that are usually problematic in these kinds of sets (Aaron, Mays) are nice here. The high number run is a solid VG-Ex/Ex overall as well, with light variance in both directions. As always with these sets in this grade, some up-grading could be done, but not a ton. We rate the many key cards as follows: 1 Mays Ex, 30 Rose VG+, 50 Mantle PSA 5, 100 Koufax VG-Ex/Ex, 126 Palmer RC Ex, 215 Clemente/Aaron Mays VG+, 254 Jenkins RC Ex, 288 Sutton RC VG, 300 Clemente Ex, 365 Maris VG-Ex/Ex, 390 B. 390 1967 Topps Complete Set Ex+ 600

One of the ultimate Topps sets, the high number run makes these so desirable. The offered lot is a respectable mid-grade set. Likely from the original owner, several cards still have the original wax on the front. The basic set varies a good bit, it is typical in that the commons and secondary stars are much nicer than the key cards. We feel the basic set averages Ex Plus overall, but there is definite variance and the run could benefit from some TLC. The vital high number run is a pretty solid Ex-Mt overall with many really nice cards, but also mild variance.

A very desirable set with a lot going for it, we rate the key cards as follows: 45 Maris VG-Ex/Ex, 146 Carlton Ex, 150 Mantle VG-Ex/Ex (well ctd, no creases, could be a 5 on the right day), 200 Mays VG+, 250 Aaron VG-Ex/Ex, 355 Yaz Ex mc, 400 Clemente GVG, 430 Rose Ex+, 460 Killebrew Ex-Mt, 475 Palmer Ex+, 476 Perez SP Ex-Mt, 536 Niekro RC Ex-Mt, 540 Cash NM, 558 Belanger RC Ex-Mt, 569 Carew RC VG-Ex/Ex (fairly well ctd, no creases, could be a 5 on the right day), 570 Wills Ex++, 580 Colavito NM, 581 Seaver RC PSA 4, 600 B. The 1962 New York Mets yearbook is the ultimate team yearbook. Prized by yearbook collectors, it is by far the most valuable vintage team yearbook. The cover design is just adorable. These come around signed regularly, but only by very common autographs from shows in the 1990s and 2000s. The offered lot is fully vintage signed and truly remarkable. The absolute key here is Gil Hodges; this is the first 1962 Met yearbook that we have ever seen or heard of with a Hodges signature. The other signatures include HOFer Red Ruffing (also almost impossible on a 1962 Met yearbook), Moorhead (D'1986 at age 48), Ashburn, Throneberry, Thomas, Craig, Neal and Hickman. 858 1966 Topps Funny Ring Checklists Complete Set 125
Something that you just never see, this is the first time we have handled one of these in years. A great companion piece for a 1966 Topps football set, these are scarce. The cards are quite clean, these appear to be half Near Mint, half Ex-Mt, perhaps worthy of slabbing.

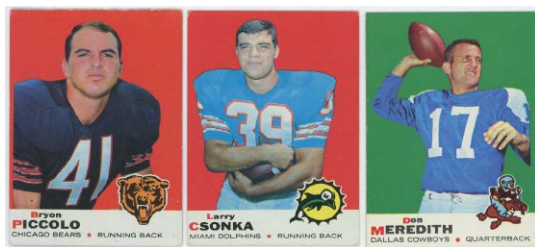

859 1968 Topps Complete Set Ex-Mt 200
Offered is a rather sharp and nice set. Ex-Mt overall, this has light condition variance in both directions. Collected with care by someone with a good eye, nothing has been picked for slabbing, there might be something here. Baseball Memorabilia

900 New York Yankees
Nodder (very scarce)..... 125
 Quite clean and fine, there is one nick on the hat, this is an interesting item that displays very well. It is our understanding that in the 1962 season there were a few old square base nodders. Instead of throwing the bases out, the manufacture decided to paint the white bases green and about 100 pieces were issued with 1962 square green base. The bases were painted green and were issued in the first run. When you see these rare green base nodders, they are typically Reds or Dodgers. We believe this 1962 square green base is the first square green base issued.

902 1975 Boston Red Sox Salesman Sample
AL Championship Ring (Fred Lynn)..... 300

This is a size 11 3/4 ring. The ring displays very well, with hardly any wear. One flank reads Lynn 19, the other 1975 Boston 3 Oakland 0. The face of the ring has a lovely red gem and a cz diamond. Our consignor purchased this over 20 years ago, this is the closest almost any of us will ever get to a true 1975 Red Sox ring.

One of the best tickets one can collect from the 1950s or related to the Brooklyn Dodgers, there has not been a public sale for even a stub since 2016. Profoundly rare, which we find fascinating at the final Polo Grounds ticket trades regularly. The first time that we have ever seen or handled this ticket, offered is a truly remarkable FULL TICKET. PSA slabbed Authentic, the ticket appears to be quite clean, we do not see any creasing, all things being equal, we would grade it Ex Plus.

940 1969 First Kansas City Royals Game (4/8/1969) PSA 1.5..... 175
A very rare ticket, these hardly ever come to market. The first home game for the Kansas City Royals franchise, the stub has creasing and wear. The color is vibrant, this displays well despite the condition issues.

941 1986 Roger Clemens Dual 20-Hit Game
Framed Full Ticket Display 100
A highly collectible pair of tickets, these are from 4/29/1986 vs the Mariners and 9/18/1996 vs the Tigers. Matted with a signed 8x10 of Clemens, these are most likely not glued to the mat, but no guarantees. Total size 15x17.
